ELGIN SPURTS INTO VICTORY

SIXTH INNING VICTORY MADE POSSIBLE BY HEAVY HITTING

Hickey's Homer Ties Up Game in Eighth But Elginites Gain in the Ninth.

Team	W	L	P	C
Cove	8	1	888	
Elgin	5	1	823	
Union	7	2	777	
La Grande	5	4	555	
Baker	5	4	555	
Haines	4	5	444	
Toppler	2	8	200	
North Powder	1	9	100	

Winners Yesterday—
Elgin won from La Grande, 6-5; Union won from Haines, 14-1; Baker won from Imbler, 8-5; Cove won from North Powder, 7-2.

La Grande ran up against a snub yesterday at Elgin, when the Elginites made a ninth-inning sprint and took the honors, 6-5. A heroic rally by the La Grande bunch in the eighth put a thrill into the game. Hickey, with one run ahead of him, cracked out a homer that tied the score, as Elgin had been leading, 5-2 at the beginning of the eighth. In the ninth, however, Elgin laced out two A.M. singles that put the game in the refrigerator for the Elginites. Youngster Hits Well.

One of the features of the game was the hitting of Mike Carroll, a youngster on the La Grande team who is breaking into baseball in the outfield and on the rubber, Mike, hitting safe four times, established an enviable record. Unfortunately he sprained an ankle and may not be able to re-appear in the lineup right away.

New Infielder on Job.
Billie Dunn, of late a member of the Leaveworth, Wash., team, was a new face in the lineup yesterday. Mr. Dunn has been in La Grande and will be a good adjunct to the local infield. He covered second nicely yesterday.

Heck McClunis Leaves.
Jerome, Idaho, has sent a hurry-up call to Heck McClunis to come up there to finish the baseball season with them. He has accepted a very alluring offer, and his going of course leaves the local pitching staff rather short. Roberts, the veteran, and Carroll, a youngster of 21, would constitute the local pitching personnel.

More Finances Needed
The financial situation of the local team is acute. While the gate receipts are proportionately bigger than in several years and the interest keenly than for some time, the expense of running the team is also greater. Other teams in the league are bracing themselves for the finish and unless La Grande does the same thing she is going to be left at the barrier standing flat-footed. A proposition is now under way to obtain greater financial backing for the club has demonstrated its willingness to play ball for the sport of the thing and not as a money maker, yet, anybody familiar with baseball knows that teams cannot be strengthened on good will and hot air. It takes dollars to do it. The sum needed is not large, either, but such as it is, is badly needed.

Hickey Hitting .750.
In the last two games Infielder Hickey has been hitting his stride like a whirlwind. In 12 times up in two games he has hit safe nine times for a total percentage of .750.

MANY GUESSES WIDE OF MARK

CROWD FINDS IT HARD TO ESTIMATE HEIGHT.

Much Interest Manifested in Flying at Local Field Yesterday—Rides Prove Popular.

The flying field of the La Grande Aircraft company was the mecca for many auto parties yesterday afternoon. The feature of the afternoon's flying was a guessing contest in which over fifty people took part, the prize being a free ride. George A. Brunson won by guessing the height of an exhibition flight at 1300 feet, the plane, piloted by Walter E. Lees, having reached a height of 1300 feet.

Estimating the height of a plane in the air isn't as easy a matter as it appears on first thought, is the conclusion reached by many of those guessing for a free ride. The guesses ranged all the way from twenty-four and a half feet to 4,849 feet.

Mr. Lees made a large number of flights during the afternoon. Among those he carried as passengers were Mr. and Mrs. W. C. Sturgell, W. M. Hueghan, Oscar Noyes, Franklin Zureber and U. Lottes.

WILL IT BE BAKER, KAY OR OLCOTT

(Continued from page One.)

There is a rumor that Patterson will stay out of the gubernatorial race and become an aspirant for the Republican nomination for state treasurer. Should Olcott not be a candidate, it is said the administration's support would go to Patterson.

Friends of Colonel George A. White, adjutant general of Oregon, have been importuning him for several months to seek the governorship, but the colonel is said to have discouraged their efforts. Before the war White was sometimes mentioned as a gubernatorial possibility.

Kay Might Run
T. B. Kay, former state treasurer and member of many assemblies of the legislature, is under consideration. Kay's record for retrenchment and economy in the last legislature gave him strength among farmers' organizations and a percentage of business men. He would be able to poll a large vote in western Oregon both because of his record and his acquaintance. Hundreds of eastern Oregon farmers and stockmen have been hard hit in the last year or two and retrenchment might appeal to them more than ever before. This would help Kay.

Senator Jay Upton of Prineville is among the latest to be talked of as a gubernatorial possibility. The halls of congress where he might sit in place of Nick Singott is believed to be more of a lure to Senator Roy Ritter of Pendleton than is the governor's office. There is no Ritter talk relative to the governorship. L. J. Simpson of Coos Bay is not considered a gubernatorial possibility. A new figure now occupying some attention is Judge Thomas J. Cleaton of Portland. It is said he might aspire to the governorship by trying to beat Pat McArthur for the congressional nomination.

Hoff Will Run
As for the office of state treasurer recent gossip has it that O. P. Hoff will be a candidate for re-election Senator Thomas Ryan of Oregon City, who was deputy under former State Treasurer Kay, and whom Hoff barely defeated in 1918, is looked upon as a certain entrant. Should Senator Patterson not run for governor he may run for treasurer. In the first congressional district when W. C. Hawley has represented for years at Washington, I. E. Boag, of Eugene, has made a name on the place. In the second district Senator James M. Tryon of Harney county, Singott, Ritter is also talked of for national committee man to succeed Ralph E. Williams.

JOHNSON SEES CHANGE IN WIFE

Spokane Man Declares Tanlac Did Her More Good Than Everything Else She Had Taken Combined.

"From the good Tanlac has done my wife I don't believe it has an equal," said Carl Johnson, 215 North Chestnut St., Spokane.

"She had been a sufferer from stomach trouble for quite a spell. Food just wouldn't agree with her and seemed to do her more harm than good. She was intensely nervous, hardly ever got a good night's sleep, had dreadful headaches and was continually taking something for constipation. We tried everything we could think of and even changed climates, but nothing did her any good. "We had read so much about Tanlac that we decided to try it. I saw a marked improvement after she had finished the first bottle, so she kept on taking it and three bottles have made her a well woman. Her appetite is simply splendid now and everything she eats agrees with her perfectly. Her aches and pains are all gone. She gets around better and takes more interest in things and says she feels better than she has in a long time. We are strong for Tanlac at our house."—(Advertisement.)

county. Information comes to the surface that Barge G. Leonard and Maurice Crampacker want McArthur's place and may try to get it in the next election. Judge Cleaton is mentioned also in this connection as well as a possibly candidate for governor.

From the Democratic camp it is said that either Lester Humphreys United States attorney and overseas veteran, or Joseph N. Ford, who was a member of the United States shipping board, will be put forward for governor. Colonel Creed Hammond, soldier and banker, had been mentioned until he indignantly asserted that no longer would he be on the registration books of the Democratic party.
