

San Lewis Believes in English Tongue

Well-Known Tenor Now Sings in English at Chautauque.

San Lewis, the prominent Welsh tenor, who is singing for Chautauque audience this year, has little patience with the concert singer who tries to "foist" foreign languages on Americans. "Mr. Lewis says: 'I believe the time is not far off when American audiences are going to demand more singing in a language they can understand. Personally, I never sing even one group to a foreign tongue, unless it is specifically requested.'"

Mr. Lewis has made rapid strides in the music world of late years. He is appearing this season at the head of his own company. Assisting artists are Amber Hopkins, reader, Allen Ament, violinist, and Florence Bernay, pianist and accompanist.

EVERY STREET IN LA GRANDE

Has Its Share of the Proof That Kidney Sufferers Seek.

Backache? Kidneys weak? Distressed with urinary ills? Want a reliable kidney remedy? Don't have to look far. Use what La Grande people recommend. Every street in La Grande has its cases. Here's one man's experience.

Let L. R. Spencer, 1047 Jackson Ave., tell it.

He says: "I have used Doan's Kidney Pills and can recommend them from experience. Constant riding in the wagon has weakened my kidneys and I often had backaches and sharp pains through my kidneys. Colds made the trouble worse and my kidneys were irregular in action. I used Doan's Kidney Pills and they soon stopped the backache and rid me of kidney complaint."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Spencer had. Foster-McLarn Co., Mfrs., Buffalo, N. Y.

The "Fretful Porcupine."

Porcupines have five toes on the hind pair of feet, all armed with long, curved claws, while the front pair, similarly provided, has only four toes each, says the American Forestry Magazine. Their ears are small and quite concealed in the surrounding fur; the tail is moderately small and lacking in ornamentation.

Rarely Takes Us Over Five Minutes.

"Do you ever spend half an hour before retiring thinking over what you have accomplished during the day?" queries an exchange. Why, brother, if it took us half an hour to do that, we should remain awake the rest of the night thinking what a wonderful fellow we were. Boston Transcript.

BOOKS ARE INDEX TO CHARACTER

So Says Father Cronin in His Lecture Before Chautauque Audiences.

"A man's library is an index to his character," says Father Cronin, one of the prominent members of the lecture staff of the coming Chautauque. With the fervor, delivery and wit of a master, he portrays the effect on mind and character of the works of the great

writers of the world. He speaks for the best in literature as the very examples on which to mold our characters.

Father Cronin is a brilliant speaker and an intensely interesting one. His Irish wit bubbles out in the most delightful and spontaneous manner imaginable. For many years he has been in constant demand in the country over as a Chautauque speaker.

ETIQUETTE

The "Wedding Procession"

There are many ways of arranging a wedding procession. However, when a bride is attended by ushers, the first attendant in honor, it is customary for the ushers to precede her by the aisle, walking two and two. The rear of this short procession is followed by the bride on the arm of her father. When maids and pages and flower girls are added, the ushers first walk two and two; then comes the maids in pairs, then the attendant of honor, then the flower maids immediately before the bride, and lastly the pages.

The bride on reaching that point where the clergyman the groom and his best man stand, takes her place to the left of the groom; her father falls a pace to the rear.

Harvesting Expense Reduced to

95c PER ACRE

The Holt "Little Ben" 12-foot cut Tractor Harvester will cut an average of 22 acres per day with a daily operating expense as follows:

25 gallons Distillate	\$5.88
Oils and Greases	2.50
Allowance for upkeep	2.50
Labor, 2 men	10.00
Cost to head and thresh 22 acres	\$20.88
Cost to head and thresh 1 acre	.95

This is not a mere estimate of what it costs to run a "Little Ben" Tractor Harvester. It is figures of actual operating expenses furnished us by owners of these machines.

Mr. Farmer—Can you afford to continue paying from \$4.00 to \$6.00 per acre to harvest your grain with the old heading and threshing system? Can you afford to continue the expense and work of paying and boarding big harvest crews? Can you afford to continue feeding and caring for a large number of horses necessary to harvest the old way?

The "Little Ben" requires no horses and only two men and will do your complete harvesting job for a cost of only 95 cents per acre.

Holt combined harvesters are made in several different sizes and models—the "Baby Gas," "Little Ben," Junior and Western Special. There is a size for your crop.

Place your order now. Do not delay. Easy terms.

The Home of the Soul.

In olden times, it was believed that the seat of the soul was the stomach, most likely for the reason that a man is never so completely used up as when his stomach is out of order. For the cure of ordinary stomach troubles, there is nothing quite so prompt and

satisfactory as Chamberlain's Tablets. They strengthen the stomach and enable it to perform its functions naturally. Give them a trial. They only cost a quarter.

An Announcement by The Studebaker Corporation of America

EIGHT MONTHS AGO, WHEN THE COSTS OF MATERIAL AND LABOR APPEARED TO HAVE REACHED THEIR PEAK, WE MADE SUBSTANTIAL REDUCTIONS IN THE PRICES OF STUDEBAKER CARS. THESE REDUCTIONS WERE IN ANTICIPATION OF OUR ABILITY, AFTER THE TURN OF THE YEAR, TO PURCHASE MATERIALS AND TO FABRICATE THEM AT LOWER COSTS.

THE EXPECTED SAVINGS HAVE BEEN REALIZED.

WITH THEM, OTHER SAVINGS HAVE BEEN MADE, AS A RESULT OF THE GREATLY INCREASED VOLUME WHICH STUDEBAKER HAS THIS YEAR ENJOYED DURING THE FIRST FIVE MONTHS OF 1921, OUR VOLUME OF BUSINESS HAS EXCEEDED THAT OF ANY OTHER AUTOMOBILE MANUFACTURER EXCEPT FORD.

THE STUDEBAKER PLANTS ARE RUNNING AT CAPACITY WITH UNFILED ORDERS ON HAND FOR OVER 7,000 CARS.

IN THIS QUARTER WE SHALL PRODUCE 21,000 AUTOMOBILES AGAINST 11,000 IN THE CORRESPONDING PERIOD OF LAST YEAR. THIS IS AN INCREASE OF APPROXIMATELY 100%.

NO OTHER AUTOMOBILE MANUFACTURER IS MAKING A COMPARABLE SHOWING.

WE BELIEVE THAT THE CONFIDENCE OF THE BUYING PUBLIC, WHICH HAS MADE AND IS MAKING THIS RECORD POSSIBLE, WILL CONTINUE, BECAUSE IT IS SUPPORTED BY THE QUALITY AND VALUE OF OUR PRODUCTS, AND THESE WE SHALL UPHOLD.

WE EXPECT THAT AS A CONSEQUENCE THE PRESENT ECONOMICAL AND EFFICIENT PRODUCTION BASIS CAN BE MAINTAINED AND THAT WE ARE JUSTIFIED IN MAKING FURTHER REDUCTIONS IN THE PRICES OF STUDEBAKER CARS.

Effective at once, the new prices on all models and types are as follows:
