Changing Color of Birds. The color of birds may be changed to white by keeping them in a white room, surrounded by white objects and attended by persons dressed in white, says a naturalist. However, the third or fourth generation is necessary before the bird's feathers are all white.

Badly Behaved Hen. Little Janet, from the city, had been in the country only one day, but the rights of property owners and property renters were already firmly fixed in her mind. "Mother," she called, excitedly the morning after their arrival. "Mother! Just come here and look! There are somebody's hens wipping their feet on our nice clean grass!" —Harris's

Time and the Man. A French statistician concludes that at the age of fifty the average man has slept 6,000 days, worked 6,500, walked 800, amused himself 4,000, spent 1,500 eating and been ill about 500 days, or about 3 per cent of the time.

CALIFORNIA FRUIT COMES

FLORIDA GRAPE FRUIT SEASON IS COMPLETED.

Naval Oranges Disappearing—Raspberry Canning Time is Approaching.

Florida grape fruit disappeared from the local markets almost entirely this week but in its stead has come the California brand. Dealers are advised by their customers that the California fruit is especially choice this season. The price is generally under the Florida type, too.

New Oranges Come. Naval oranges have about seen their season for 1921, and to offset their rapid disappearance come the valencias, of good quality and reasonable price.

Raspberry Season On. After sizing up the raspberry sea-

son the Observer would recommend that housewives begin to look to their canning supplies for their raspberry shelves. By next week it is very probable that the canning season will be at its height.

Strawberries Rush In. Today's supply of strawberries, following the warm spell of Monday and Tuesday, was quite liberal. The Hood River varieties are practically off the market but the home supply is pouring in rapidly. The weather conditions are favorable for rapid maturity.
