

La Grande Fraternal News

WHAT LODGES ARE DOING AND PROPOSE TO DO.

Fraternal News Sought.
In order that fraternal news may be properly "covered," the Observer invites articles for this particular column. During the summer months few lodges are in regular session, and this column affords members an opportunity to keep abreast of their fraternal affairs, even though not meeting often. Officials of all lodges in the city are urged to advise the "Fraternal Column" of any matters of interest.

Dokies Meet Tonight.
There will be a business meeting of the Dokie temple this evening at the K. of P. hall. Business of importance is to come up.

Dictator on Feet Again.
After a prolonged siege with smallpox, Don Shanks is able to look to the affairs of the Loyal Order of Moose lodge again. He is worthy dictator.

October 13 will be an important day in La Grande. On that occasion the Grand Commandery Knights Templar, of Oregon, will hold their state session here, and arrangements for the big event have already been begun. About 100 of the leading Knights Templar of Oregon will be in attendance.

Eagles Have Party.
Last evening members of the local Eagles lodge had a social hour, with refreshments and phonograph dancing. The Eagles never fail to look after their social affairs and members and their families frequently gather in the way they did last evening.

Big Class of K. C.'s Sunday.
About 25 will be initiated into the La Grande Council Knights of Columbus tomorrow. The first two degrees will be conferred with James McNamee as grand knight, and the third will be conferred by J. H. Peare, state deputy. This degree is habitually conferred by the state deputy or his duly authorized representative. Following the initiatory services a banquet will be partaken of at the Foley hotel.

It will be of interest to members of this order to know that some time in October the rarely conferred rank of fourth degree will be bestowed upon a special class at Portland.

Local Masons Honored.

Two La Grande Masons have been bestowed honors in Masonry within the past few weeks. At the recent Masonic Grand Lodge, George T. Cochran was elected grand warden, the third office from grand master of the A. F. & A. M. This automatically makes him a trustee, which has the disposal of the grand lodge

properties in hand. At the recent session of the Royal Arch Masons he was reappointed grand orator. At the A. F. & A. M. session in Portland Robert S. Eakin, a prominent Mason of this city, was appointed grand marshal. Hence the unique distinction of having two men from this up-state country in the Grand Lodge official family has fallen to La Grande.

Eastern Stars Convene.

A very important session of Hope Chapter No. 13, Eastern Star, was held last Wednesday evening. Two were initiated. Worthy Matron Mrs. C. M. Humphreys reported from the grand lodge in detail, mentioning the fact that scarcely a session of the grand lodge was held without some fervent tribute being paid to the late E. E. Kiddle, past grand patron of the Oregon grand chapter O. E. S. and a past worthy patron of Hope chapter. One service was set aside in memoriam. Worthy Patron Pete Biever reported that while at the grand lodge he inspected the work done on the Forest Grove home for Eastern Stars. He said that the home was planned for comfort to a greater degree than customary in such institutions and assured the membership here that the institution will be a credit to the order and a cheer to those who may be domiciled there. Mrs. Dora B. Schilke, past grand worthy matron of Oregon, spoke, urging support of the Smith-Townier bill now before Congress, and urged all present to work for it.

To top off the delightful and instructive evening, strawberry shortcake was served by the social committee under the chairmanship of Mrs. Frank Jackson.

The members of the Baker County Farmer's Union are holding their

annual picnic today at The Pines. Preparations were made for a thousand farmers and their families.

Illus. A. R. Shumway, state president of the Farmer's Union, is in attendance.

Your Efficiency
Depends on
Your Eyes

Good work needs good eyesight, because, as a chain is no stronger than its weakest link, so a man is no stronger than his weakest faculty. And now, when the quality of a man's work will play such an important part in the determination of his income, you owe it to yourself to keep your faculties alert, keen—fit for the competition of industry.

DON'T WONDER WHETHER OR NOT YOUR EYES ARE EFFICIENT. Have them examined — and KNOW!

U. S. Government statistics prove that over 80% of the men examined for the army had defective vision. This should indicate that possibly your eyesight is not so efficient as it should be. Have your Eyes Examined—and KNOW—as every Live American should.
