Children's Ailments

DISORDERS of the stomach and constipation are the most common diseases of children. To correct them you will find nothing better than Chamberlain's Tablets. One tablet at bed time will do the work and will make your child bright and cheerful the following morning. Do not punish your children by giving them castor oil. Chamberlain's Tablets are better and more pleasant to take.

PRODUCTION OF GOATS' MILK

Result of Experiments Conducted at Government Experimental Farm at Beltsville.

Milk-goat experiments in grading up from native and grade Toggenburg and Saanen does with purebred Swiss bucks, begun in 1911, were continued last year by the United States Department of Agriculture, at the government farm at Beltsville, Md. The flock comprises 26 does and 8 kids of one-half, three-fourths, seven-eighths, and fifteen-sixteenths blood. The average daily milk yield per doe in 1933 was 3.92 pounds, an increase of 2.42 pounds over the yield of the ten selected native does which formed the foundation stock of the herd. The highest milk yield for an individual doe in one day is 8.6 pounds. For 1933 the flock showed an average of 37 per cent butterfat.

WORMS OF DIFFERENT KINDS

Fowls Affected Are Likely to Be Extremely Thin in Cases of Long Standing.

Some chickens have worms of various kinds. The intestines should be slit to find this out. Chickens having worms are likely to be unduly thin, and this loss of weight is extreme in cases of long standing.

GREEN FOOD INJURES FOWLS

Too Much Causes Gall Bladder to Become Swollen and Even Burst—Flesh is Tinged.

In the case of chickens eating too much green food the gall bladder becomes greatly swollen, or may even burst, and its contents impart a green tinge to the flesh, or even to the skin near the gall bladder.

Love and Machinery.

The man who does not love his farm machinery never ought to have any. He ought to be compelled to do his plowing with a crooked stick and brush his grain with the top of a tree, because he will let his tools rot and rust out in the fence corner and laugh at you when you tell him there is a better way. Love takes care of the plows and binders and the threshing machines. Nothing else will.—Farm Life.
