Oregon Jerseys Win 31 Per Cent of 1920 Medals

Of the 71 medal awards made by The American Jersey Cattle club to registered Jersey cows producing during the year of 1920, 22 medals, or 31 per cent of all awards, were won by Oregon cows, regardles of the fact that but 4¾ per cent of registered Jersey stock of the country is in the state. Ohio, with 13½ per cent of the Jersey stock of the county, was second with nine medals.

Seven of the 10 cows that won more than one medal each by virtue of their records are Oregon Jerseys. Of the 10 highest butterfat producers for 1920, five were in Oregon herds.

Shedd Breeder First.

In the list of sires represented by medal winning daughters, Valentine's Ashburn Baronet, her sire in the J. M. Dickson & Son herd at Shedd is the premier Jersey herd sire in America, with daughters holding five of the 1920 medals. Rinda Lad of S. B., sire in the G. G. Hewitt herd at Independence, was second with daughters holding four of the medals. Poppy St. Mawes, with two medal winners is tied for third place with an eastern bull and St. Mawes of Ashburn, also a Dickson sire, is one of four in fourth place with two gold medal daughters. Golden Glow's Chief ranks fifth with one gold and one silver medal to his credit. Thus an Oregon bull appears in the first five places in the list of producing sires for 1920.

Heading the list of breeders of medal winners for the nation is Mr. Dickson in first place, with seven medals; Mr. Hewitt, 2nd, with four medals; Ed Cary, 4th, with three medals; and O. Pickard and F. J. Farnman, 7th, with two medals. All are Oregon breeders.

State's Attainment Remarkable

In the ranking of states the position that Oregon has attained is nothing short of remarkable, according to the opinion of cattle breeders of the state. With 1914 animals registered, Oregon succeeded in placing over twice as many medals as her nearest rival state, Ohio, with 6627 animals registered, or over three times as many head. Maine, also with nine medals, tied Ohio in number, but Ohio had eight gold and one bronze medals while Maine had seven gold and two bronze.

The leading Jersey butterfat producer of the country, Plain Mary Ayredale Stock Farm, Maine, defeated her nearest rival, Vive La France, owned by Pickard Bros., Marion, Ore., by a margin of .79 of a pound, for the entire year, the two records being 1040.07 pounds and 1039.29 pounds, respectively. They were the only two Jerseys in the country to go over the 1000-pound mark.

1920 Leaders Listed.

Following are the ten leading Jersey butterfat producers of 1920: Plain Mary 268266, Ayredale Stock Farm, Bangor, Maine 1040.07 pounds; Vive La France 319016, Pickard Bros., Marion, Oregon, 1039.29 pounds; Lucky Farce 298177, A. W. Murphy, Cleveland, Ohio, 988.75 pounds; Gwendola Rosaire 308722, F. A. Boerger, Silverton, Oregon, 919.88 pounds; Minetta of Ashwood 330982, N. H. Smith, Oregon City, Oregon, 869.56 pounds; Fauvic's Star 313018, A. V. Barnes, New Canaan, Con., 858.85 pounds; Gold Lemise's Lois 231408, T. S. Griffith, Spokane, Wash., 841.70 pounds; Lad's Likeness 338246, F. E. Rogers, Mammouth, Oregon, 834.61 pounds; Rosaire's Chimes 339015, D. Perkins, Carlton, Oregon, 828.02 pounds; Jap Gavia's Baroness 331805, Ayer & McKinney, Meridith, N. Y. 822.60 pound.

Records Are Exceeded

The analysis of the list shows that all records of previous years have been exceeded, both as to the number of medals and the total number of animals competing. The medals will be distributed among 46 herds, which indicates that in all four corners of the United States high-producing Jerseys are found.

Nineteen states are included among those that will receive awards, their respective standings being as follows: Oregon 18 gold, three silver and one bronze medals; Maine, 7 gold and two bronze medals; Massachusetts, five gold and one silver medals; Washington, 5 gold medals; New York, three gold medals; North Carolina, two gold medals; Virginia, two gold medals; Vermont, one gold and one bronze medals; California, one gold and one bronze medal; Michigan, Missourit, Texas, Maryland, Illinois, Kentucky, Utah, Minnesota, and Connecticut, one gold medal each.

UNION LOSES TO LA GRANDE

WHITE AND JOHNSON MAKE GOOD BATTERY IN GAME

La Granders Stimulate Interest in Next Sunday's Contest Which Is To Be Held Here.

La Grande sprinted in the last inning at Union yesterday and won from the strong Unionites 7-5. White the heaver for Imbler this season thus far, was on the mound for La Grande and it was a battle royal between he and Hughes. Johnson, a local youngster, was on the receiving end and did splendid work. Hughes and his cohorts had the best of it for eight innings but with two on, Crippen dropped one in the grass where it couldn't be found and then the rally started. Both pitchers did splendid work. Naturally enough there is joy in camp over winning from Union, but the fact that the team is able to do that, and the further fact that White is to pitch against Cove in the biggest game of the year here this season, has stimulated confidence in the local camp to beat the powerful Cove aggregation. Likewise the news of Union's defeat has quickened interest in Cove so that the two towns will no doubt be out in great numbers to see next Sunday's game.

CONSTANCE BINNEY IS AT THE ARCADE TODAY

A modern little city Cinderella is the heroine of "The Magic Cup," Constance Binney's latest Realart release which is showing at the Arcade theatre today and Tuesday. The Prince Charming in the case is a cub reporter, and they meet, not at a ball, as in the old fairy story, but in the unromantic atmosphere of a hotel kitchen. The male lead opposite Miss Binney is played by Vincent Coleman.

On the same program will also be shown the big comedy special called "Blue Sunday." This film has been classed as one of the best comedies so far released this year and features the well-known fun makers Lyons and Moran.

ALLIGATOR PLAYS ROLE IN MOVIES AT SHERRY THEATRE

Not every motion picture boasts of an alligator with real histronis ability as "The Song of the Soul," showing at Sherry's today only.

The alligator finds his way logically into the story because the scenes of "The Song of the Sould" are laid principally in the "backwater" section of Florida, where the land is lower than the ocean and in consequence much of it is flooded, bringing in the creatures of southern waters.

Something unique in the way of youth movies is also being shown—its a dandy program.

BILIOUSNESS AND CONSTIPATION.

"For years I was troubled with biliousness and constipation, which made life miserable for me. My appetite failed me. I lost my usual force and vitality. Pepsin preparations and cathartics only made matters worse. I do not know where I should have been today had I not tried Chamberlain's Tablets. The tablets relieve the ill feeling at once, strengthen the digestive functions, helping the system to do its work naturally," writes Mrs. Rosa Potts, Birmingham, Ala.—Adv.
