The Parkdale club will hold its next meeting Wednesday, July 20. Mrs. R. Stillwell and Mrs. Carl Cook being hostesses at that time.

Dr. and Mrs. Richard Landis, of La Grande, former Corvallisites who motored to this city a week ago to be guests of Mrs. Landis' parents, Rev. and Mrs. S. M. Wood and family, left this morning on their return home. They were accompanied by Rev. and Mrs. Wood and Miss Ruth Wood who will go to La Grande to spend a short time at the Landis home. The party will stop in Portland for a brief visit with Mr. and Mrs. Walter Wood, and at The Dalles they will visit the Virgil Rawsons, Mrs. Rawson being a daughter and sister.—Corvallis Gazette-Times.

A goodly number of local residents are interested in the Eastern Oregon Epworth League Institute which will be held at Wallowa Lake July 25th to 31st. It combines the popular features of a summer camp with a school of methods for religious and character building work for young people. Its faculty includes two national church leaders, one college president, the area executive secretary, two college professors and two successful young people's pastors. Rev. Ira R. Aldrich, District Superintendent of the Methodist Church is Dean.

A scoutmaster's school will be conducted at an afternoon period, free to all who may be interested, by Mr. Aldrich and Geo. Todd, of Fruitland, Idaho. Mr. Todd has been a scout executive for a number of years and Mr. Aldrich has had ten years experience as a scoutmaster in Chicago and elsewhere. Particulars regarding details of expense may be obtained from Rev. H. K. Wallis, manager, Joseph, Oregon.

A SERIOUS QUESTION

If you should be disabled by either sickness or accident, would you become a burden on your family, or could you continue to provide for them in spite of your inability to work?

You wouldn't like to see your wife starting out to work each morning while you lay helpless in bed.

You wouldn't need to, if you carried one of our disability policies covering against either accident or sickness, which would provide you with a substantial income.

Mrs. R. L. Poarch is chairman of a committee that is to provide necessary " grub" for what will be a hungry group of men next Friday evening. Members of the Country Club are going to have a cleaning sea in the club park, and while they work the ladies are going to provide coffee and "eats." Mrs. Poarch has issued an edict that any man who doesn't work, can't eat, but that any man who has worked can get his fill. Also, that there will be plenty of supper for bachelors and temporary bachelors.

Mrs. Poarch has assigned the duty of bringing coffee, cream and ice cream and pie to certain parties and has asked all other ladies to bring sandwiches, deviled eggs and silverware, cups and saucers and paper plates for their own party plus one. In this way there will be no material duplication of effort and if anyone is in further doubt, they may call Mrs. Poarch at Red 3651.

From July 29 to July 5, Shadow Point, country home of J. E. Hulse, was the scene of great festivity. The annual reunion of the family was held during that time. The custom of extending this meeting over several days allows time for a great deal of informal reminiscing and a social good time. One evening a wienie roast was enjoyed in spite of the rain, and Sunday and the Fourth large dinners were served throughout the afternoons. There are a few old-fashioned fiddlers in the family and with the accompaniment of piano, guitar and mandolin, and by recalling and singing old songs the pleasant evenings were passed. Sunday evening a few neighbors gathered and assisted in singing hymns, and a few readings were given.

Two members of the older generation, Mrs. Clara Hulse from Nebraska, and Mrs. Mary Hulse from Flora, Oregon, were present. The others are descendants of the five families, two of which are represented by these ladies. Mrs. Bell Phillips, of Portland, is well known here, and Mr. and Mrs. Eddie Hulse, of Enterprise, and son, Mr. and Mrs. W. S. Hamilton and Jack Hamilton, of Wallowa; Mr. and Mrs. Arthur Hulse, of Evans motored over. E. A. Hulse, from Port Angeles, Washington, and Mr. and Mrs. M. E. Hulse and children, from Enterprise. Those present who come from this valley are Mrs. Lucy Prell Mr. and Mrs. J. C. Briggs, Misses Vada Briggs, Eva Briggs and Eva Brown; Mrs. Bert Brown, Mr. and Mrs. Edward McMaster and daughter Mrs. Rhoda McMaster, of Union, Mr. and Mrs. W. H. Hamilton and daughter, and Mr. and Mrs. Andrew Maillenberg, daughters and baby son.

Mrs. O. E. Gardiner entertained a few lady friends Monday evening at her home. The evening was spent in needle work and at a suitable hour dainty refreshments were served. Those present were Mrs. N. W. Courtney, Mrs. Jack Hint, Mrs. John Adkin, Mrs. Orin Larson, Mrs. Albert Herman, Mrs. J. P. Caldwell and daughter, Dorothy; Mrs. Cameron and the hostess, Mrs. O. E. Gardiner. Mrs. Cameron was a special guest of the evening.

The entertainment committee of the Moose Lodge will give a surprise social to the Moose and the Ladies' Legion this evening in the regular meeting place.

The Screen

REAL RACE HORSE WINNING FEATURE OF "COUNTY FAIR"

Heretofore on screen or stage there have been glimpses of a horse race that carried a limited element of suspense and climax, but Maurice Tourneur in his picturization of "The County Fair" receives credit for putting the first real race upon view.

The big hit is announced for Thursday, Friday and Saturday at the Arcade Theatre and the interest in its local presentation will carry it to the same success that has been met everywhere it is shown.

SHERRY'S, TODAY ONLY "THE RIGHT TO LOVE"

Luxurious ball room scenes are fairly common in motion pictures, but "The Right to Love" contains one that will linger long in the minds of the audience which saw this splendid picture at the Sherry Theatre last evening.

Tomorrow, "Are All Men Alike" with May Allison.

SPECIAL SWIMMING INSTRUCTION

Announcement has been made by one of the directors of the Country Club, that the swimming tank which is now ready for use at the club grounds, is to be the rendezvous of those wanting instruction in the art of swimming on Wednesday and Friday afternoons. On those days, A. E. Pryke, physical director of the Y. M. C. A., will be at the tank from 3 to 5 o'clock, and will give instructions to any desirous of learning to swim.

Longer!

There seems to be no doubt left that Paris has "ring down the curtain" on short skirts. A tendency toward graceful fashions certainly couldn't be carried out with the recent short collars. The tulle gown shown here, which was worn by a debutante at the French races is of latest with a modified long skirt.

'Round The County

Little Bit of Everything Cleaned By the Observer About People and Things.

An Odd Wheat Field.

People and animal nature is strange, strange indeed, but no stranger than laws of the plant. A year ago last spring W. R. Ledbetter planted some spring grain on a 20-acre tract on the Sandridge, and last summer turned stock on it. The tract was pastured all summer. This spring it had wintered in such the condition that it was allowed to grow unmolested and lo and behold, he has a grain field today about ready for cutting that will run about 40 bushels to the acre. It is nothing unusual to pasture grain, but it is unusual to harvest a bumper crop off the same pasture the next year. It is seldom done. So, we find, plant life is stranger than we think.

RENEWED TESTIMONY

No one in La Grande who suffers backache, headaches, or distressing urinary ills can afford to ignore this La Grande woman's twice-told story. It is confirmed testimony that no La Grande resident can doubt.

Mrs. Mary Campbell, 1524 Monroe St., La Grande, says: "I can conscientiously recommend Doan's Kidney Pills for I know from personal experience they are a good reliable remedy for kidney disorders. Whenever I notice any symptoms of this trouble coming on a few of Doan's overcomes the trouble and acts as a tonic to my whole system." (Statement given May 25, 1916.)

On May 6, 1920, Mrs. Campbell said: "I will always recommend Doan's Kidney Pills. I have never found anything to equal them for occasional attacks of kidney complaint. They are sure to help me if my kidneys trouble me."

BILIOUSNESS AND CONSTIPATION.

"For years I was troubled with biliousness and constipation, which made life miserable for me. My appetite failed me. I lost my usual force and vitality. Pepsin preparations and cathartics only made matters worse. I do not know where I should have been today had I not tried Chamberlain's Tablets. The tablets relieve the ill feeling at once, strengthen the digestive functions, helping the system to do its work naturally," writes Mrs. Rosa Potts, Birmingham, Ala.—Adv.

Intelligence of Animals.
