BILIOUSNESS and CONSTIPATION.

"For years I was troubled with biliousness and constipation, which made life miserable for me. My appetite failed me. I lost my usual force and vitality. Pepsin preparations and cathartics only made matters worse. I do not know where I should have been today had I not tried Chamberlain's Tablets. The tablets relieve the ill feeling at once, strengthen the digestive functions, helping the system to do its work naturally." writes Mrs. Rosa Polts, Birmingham, Ala.—Adv.

COVE-GROWN "CAPS" COME

LOGANBERRIES FROM THE SAME PLACE ALSO RIPE.

Saturday Shoppers Will Have Splendid Line from Which to Select Their Delicacies.

Cove-grown blackcaps and loganberries will appear in quantity with the coming week, growers have announced. Blackcaps from other sections have been on the market more or less regularly but the Cove source is just coming out.

String beans of the home-grown type are also on the market at present with a more liberal supply expected with the beginning of the week.

Those who get out early to shop tomorrow will find a splendid assortment of home-grown vegetables, berries of all kinds now in season, and a fine line of the little delicacies that go to make up a well-arranged Sunday dinner.

Few Quill Pens Now.

About the only quill pens one sees in the United States now are on the stage or are ornaments on a lady's writing desk in her chamber. An actor playing the part of a statesman or a king or a general of one hundred or more years ago will write his message with a goose quill pen and instead of using blotting paper will sprinkle sand out of a salt shaker to soak up the surplus wet ink.

Once When Boston Was Second.

A dispatch from Boston tries to prove that dress reform started there in 1834, but Boston cannot establish much of a reputation for ancient respectability on that score. Dress reform started in the Garden of Eden—Detroit Free Press.

Virtue.

Virtue is not to be considered in the light of mere innocence, or abstaining from harm, but as the exertion of our faculties in doing good.—Baxter.
