

**TRUE VALUE**

At this time of generally unsatisfactory buying conditions, it is emphasized to the thoughtful purchaser that the true value of a corset does not lie in the number of dollars you pay for it, but in the number of days it will wear beyond the life of the average corset and continue to give you the joy of possession it gave the first day you put it on.

**Class Hours Changed.**

In the future the women's evening classes at the Y. M. C. A. will meet at two o'clock Tuesday and Friday afternoon instead of three o'clock. The women's classes meetings in the evenings will remain unchanged, eight o'clock Tuesday and Friday evenings being the hour for these classes.

**Baker Men in City.**

Alpha Christley and Norman Elliott of Baker are in La Grande today. Mr. Christley sells Marmou cars and recently has patented a new headlight device that does away with dimming both headlights when meeting another car. It is arranged to work with a lever from the steering wheel and certainly looks like a good invention. Mr. Elliott is one of Baker county's heavy cattle producers but he is not celebrating because of the price of cattle at the present time.

**Student Judges Meet.**

The Island City Stock Judging class had a very enjoyable and profitable meeting Friday when A. E. Lawson, western representative of the Shorthorn Breeders' association, happened into Union county the same day the class was having a demonstration under the direction of County Agent Avery. The class visited the DeLay herds and then went to the W. J. Townley yards, both in the Hot Lake district. Mr. Lawson was as much interested in the demonstration as the boys and Mr. Avery is well pleased with the day's work. The Island City class has made splendid progress, he reports.

**A Difficult Operation.**

Little Mildred T. Greene, ten year old daughter of Mr. and Mrs. R. F. Greene, is now a patient at the Grande Ronde Hospital, following an operation for the removal of a rubber tube which was left in her left lung, following an operation two years ago. The little miss underwent the former operation December 7, 1919, in California, as the result of a severe case of pneumonia or flu. In some way the original tube was left, and during the intervening time, the cut failed to heal, with the result that it was necessary to remove it every day. When an X-ray was taken at the local hospital, the trouble was immediately noted, and the operation followed. The in-

**THEFT LEADS MAN TO JAIL**

Robert Moore, whose home is in Umatilla county, was indicted by the grand jury Saturday evening, plead guilty to petty larceny and was sentenced to three months in the county jail by Judge J. W. Knowles.

Moore is accused of having taken a suitcase not belonging to him from a train at Kamela some time ago.

**Herman Will Soon be Home.**

Herman Roesch, who has been hobnobbing with the high society of Europe for over a year, writes Jack Pearce from Stuttgart that he will soon leave for the good old U. S. A. and expects to be back in the Grande Ronde valley before the snow flies. Whether Herman will come back in double harness or still trotting single is not known and his wily nature has prevented him from mentioning such personal details in his communications to friends here.

**A SPLENDID MEDICINE FOR THE STOMACH AND LIVER.**

"Chamberlain's Tablets for the stomach and liver are splendid. I never tire of telling my friends and neighbors of their qualities," writes Mrs. William Volmer, Eastwood, N. Y. When bilious, constipated or troubled with indigestion, give them a trial. They will do you good.—Adv.
