Miss Mary O'Toole has just been appointed judge of the municipal court in Washington, D. C., by President Harding. She is the first woman to hold that office.

### The Screen

CARMEL MYERS AT THE ARCADE TONIGHT

Greenwich Village has served as the background for many a recent photodrama, but never has the free and unfettered atmosphere of the Bohemian district, adjoining New York's Washington Square been so faithfully transplanted to the celluloid strip as in "The Damocles Moment," the Universal screen story starring Carmel Myers which is being shown at the Arcade tonight only.

The dramatic action starts almost immediately after the initial title. There is a struggle, a mysterious murder, a precipitous flight across the roof tops, and Sylvia finds sanctuary in an artist's studio, fully believing that she has committed the greatest crime. Many situations develop, a romance blossoms and bears fruit, and after an hour of the most stirring incidents, relieved here and there by natural humor, the story comes to an unexpected climax.

Miss Myers has never done better work than in her present role, and the actor got Herbert Hayes as the artist "Smoke" Truener as the amiable Bolshevik, George Rhea as Mavros, Luis Warrington as his mother, and Bonnie Hill as the heroine are above reproach. Marcel de Sano directed the production.

Eddie Polo in "King of the Circus" is also being shown.

AT SHERRY THEATRE, LAST TIME TONIGHT

Wallace Reid in another thrilling automobile picture, "What's Your Horry?" will be the attraction at the Sherry Theatre the last time today. Like its predecessors, "The Roaring Road," and "Excuse My Dust," the story was written by Byron Morgan.

The action centers around "Dusty" Rhodes, an auto racing driver in love with Virginia, daughter of Pat MacMurray, manufacturer of Pakro trucks. In an effort to win favor with the irascible Pat "Dusty" abandons racing and becomes publicity man for Pakro trucks. But

his well meant efforts only land him deeply into the bad graces of Pat, whose bad temper has been further aggravated by his own failure to secure an expected order for trucks from the Cabrillo Irrigation Co. "Dusty's" opportunity comes when the Cabrillo company's dam starts to give way in a raging storm. He leads a fleet of Pakro trucks into the breach and not only saves the dam, but also rescues Pat and Virginia from possible death.

Lois Wilson supports Wallace Reid as leading woman in "What's Your Horry?" Also showing a comedy, Tomorrow, "The Branding Iron."

### THE MINSTRELS WITH A SPLENDID RECORD

The history of the American stage does not record a more enduring success than that achieved by the Famous Georgia Minstrels, which come to the Arcade Theatre Saturday night, August 6th. This company has weathered the storms of over thirty-three years on the road, having visited time upon time every city and state on this continent, and have spent numerous seasons in foreign countries where they have been received by crowned heads and the nobilities, where their success has been as marked as in their native country. The company and production for this season is out of the ordinary.

Tickets for this attraction are now on sale at Silverthorn's Drug Store. The show will start at 8:30 and all seats will be reserved.

### Fine Farm For Sale

Look this over if you want a farm of 310 acres to 200 acres of cleared land. 70 acres of bottom land on Pasa Creek. Out-rigger worth thousands of dollars, handy to this farm. The farm is out in two by the Pacific Highway. You can load your stock right here on the S. P. R. R. cars. Got my own stalling at West Saffley. See this if you want a farm. See my stock of over 100 or 115 head of fine cattle, four horses, a Studebaker car worth \$1500.00 to me, 20 pigs, new binder, new 14-disk harrow, Peoria drill, corn plow, 2 plows, mower, rake, 3-section harrow, 2 cream separators, 2 wagons, hack. The water system to this house and barn cost me \$1000.00. You can have your own electric lights, hot and cold water, bath. Everything just like city, even to the hard streets. The road is hard surfaced in front of the house.

There are 15 buildings on the farm, comprising 2 residences, 4 large barns, all kinds of fruit. I took in over \$10,000.00 on this farm in 1920. There is \$17,000 worth of portable stuff on the farm right now. The farm is only one mile from the Post Office on one side, 1 1/2 miles on the other side to Post Office and stores. The climate is just fine. I never fed my cattle any hay from the time they were young until I sold them and got \$100.00 a head for my steers last October. Crop, stock and everything goes with the farm, \$32,000.00. Don't need the money, I will give you terms if you put up security and loan you the money. Come and see me or call me up on the phone at my home, 12 F 31 Corvallis, Oregon.
