NOTICE LADY MACCABEES.

A very important meeting is called for Thursday afternoon at the K. P. Hall at 2:30 o'clock, concerning the election of officers.

Had Him Guessing.

"It is a question in my mind," remarked the dentist who had got up from a worn bed to respond to a cry from his baby, "if a fellow makes most noise when his teeth are coming or when they are going?"—Yonkers Statesman.

Cause of Appendicitis.

When the bowels are constipated, the lower bowels or large intestines become packed with refuse matter, that is made up largely of germs. These germs enter the vermiform appendix and set up inflammation, which is commonly known as appendicitis. Take Chamberlain's Tablets when needed and keep your bowels regular and you have little to fear from appendicitis.—Adv.

When Men Fought in Steel. As a general statement it may be said that armor weighed from thirty pounds for a suit of chain mail, and fifty for ordinary complete plate, to 100 or more for the heavy tournament equipment. The armor for the horse might weigh another hundred pounds. In spite of its weight, armor, when of good quality and worn (a most important point) over properly constructed, padded undergarments, was surprisingly mobile.

Old Story But a Good One. Mrs. Mahala Burns, Savanna, Mo., relates an experience, the like of which has happened in almost every neighborhood in this country, and has been told and related by thousands of others, as follows: "I used a bottle of Chamberlain's Colic and Diarrhoea remedy about nine years ago and it cured me of flux (dysentery). I had another attack of the same complaint three or four years ago and a few doses of this remedy cured me. I have recommended it to dozens of people since I first used it and shall continue to do so for I know it is a quick and positive cure for bowel troubles."—Adv.

President Harding's Close Friend and Recent Appointee Says

"It's almost unbelievable how much less is the chance of wasteful expenditure of 'chicken feed' sums, if the spender is under the necessity of drawing a check before he can spend. If we could get all the people to realize the satisfaction of saving by the simple expedient of not spending because it's easy to spend, we should have gone a long way toward restoring financial assurance."

DANGERS OF A COLD

La Grande People Will Do Well to Heed Them.

Many bad cases of kidney trouble result from a cold or chill. Congested kidneys fall behind in filtering the poison-laden blood and backache, headache, dizziness and disordered kidney action follow. Don't neglect a cold. Use Doan's Kidney Pills at the first sign of kidney trouble. Follow this La Grande resident's example:

Wm. Winn, 2302 N. Fir St., says: "I consider Doan's Kidney Pills a reliable remedy and am glad to recommend them. My kidneys troubled me for a long time. The least cold I took caused me to suffer with severe backache and such a soreness over my kidneys I could hardly do any stooping or lifting. The action of my kidneys was frequent. I read of Doan's Kidney Pills and used them from the Red Cross Drug Store. They helped me by relieving the aches and pains and strengthening my back and kidneys." Price 60c, at all dealers. Don't
