### Champ Swatter Beats Champ Caster

Harold G. Lentz, world's champion surf caster, tried to beat Lentz's surf record of 470 feet in a contest at the Polo Grounds. Lentz, using a four-course lead, cast 440 feet. The photo shows both in action.

### Another Mayflower Puts in at Plymouth

President Harding and his party arriving at Plymouth, Mass., for the Plymouth Tercentenary celebration. President Harding is the first president to visit the Plymouth Rock, where the original Mayflower put in. In front of him, Colonel Joseph B. French, president's physician, Secretary of War Weeks, President Harding and in the foreground, V. A. Harding.

### ELECTRIC DISPLAY WAS BEAUTIFUL

GRANGE HALL, Aug. 12.—Recently during the storm, the lightning caused a spectacular display of electricity along the main line of electric wires in front of Grandia Gokeler's house. Every time the lightning flashed, the big willow limbs that were rubbing against the wires caused light to shoot from the wires, strong enough that one could see objects as plain as day for a radius of 50 feet. When the light would get the strongest there would be a sort of an explosion which ended in a display of sparks that made one think that perhaps a young army had taken charge of a fire works factory and imagined it was the Fourth of July. It was a sight that would cause those who don't care about being on intimate terms with lightning to wonder if a feather bed were handy.

Miss Verda Graham of Portland spent last week visiting with her sister, Mrs. Wm. Sherwood. Friends of Mr. and Mrs. Geo. Grant will be pleased to know that the Grants have arrived in Redlands, California after an uneventful journey. Mr. and Mrs. C. F. Smith and children of Baker arrived Saturday morning to visit a week with Mrs. Smith's parents, Mr. and Mrs. J. W. Redhead.

The Riverside park was the scene of a very happy gathering Sunday when sixty-four relatives and friends of the Gokeler family gathered to meet and get acquainted with Floyd Smith who is spending a few weeks at the I. D. Smutz home.

Robert, the small son of Mr. and Mrs. Roy Spencer has the scarlet fever. The case is quite a mild one and the little fellow is getting along nicely.

Mr. and Mrs. A. E. Huff were business callers in La Grande Saturday. Mrs. Kate Hermann of Perry is a guest at the Adam Beck home. Considering Mrs. Hermann's age which is 84 years, she is wonderfully active.

Floyd Smutz of Manhattan, Kansas, is a guest at the home of his brother I. D. Smutz. Mr. Smutz will continue his visit for a short time yet and then he will depart for his home in time to take up his duties teaching in the public schools of Manhattan.

Mr. and Mrs. Arthur L. Huff entertained a number of guests at a dinner Sunday afternoon. After dinner a swimming party was organized and a very pleasant hour was spent in the cool, inviting waters of the Grande Ronde River.

The Twin City threshing separator that Ernest DeLang ordered for himself, I. D. Smutz and Frank Phy, arrived Friday and was started to work this morning on the Ben Hagey place.

Miss Sara Williamson, daughter of Mr. and Mrs. Sam Williamson arrived Saturday morning from Monmouth where she has been attending school since last September. After a month's visit with her parents, Miss Williams will leave for Ashland where she has accepted a position in the primary department of the public schools.

Last week while helping with haying on the Campbell farm, Geo. Hughes had a very painful accident happen him. As Mr. Hughes was driving over a very steep grade, the load of hay on which he was seated started to tip over. Seeing this he started to jump, his feet slipped on the hay causing him to fall on some object between the horses and the wagon, striking him and causing such a nasty gash in his lower eye lid that Dr. Richardson had to take five stitches. The cut is healing nicely now and the stitches will be removed in a few days.

### SALVATION ARMY TO PICNIC ON TUESDAY

The Salvation Army is planning to hold a big picnic in Riverside park next Tuesday, August 16. The picnic is to be given for the purpose of giving the poor children and their mothers an outing. They will meet at the Salvation hall at ten o'clock in the morning where trucks will be waiting to take them to the park.

A program of games and races is being arranged for the children and every possible provision is being made to properly supervise the play so that mothers need not worry about their little ones if the youngsters go alone.

Ice cream and sandwiches will be served during the day, there being no charge whatever for anything. The picnic will close at about six in the evening.

Call the La Grande Employment Office for your help. Always at your service. Phone Black 801. 8-8-21

### SPARKS FROM ENGINE FIRE EARN AT ELGIN

ELGIN, Aug. 12.—For the second time within a short time sparks from a passing engine started a blaze at George F. Smith's barn, this time the entire barn being destroyed. A considerable amount of hay was in the barn at the time.

No estimate has been made of the loss, but it would probably require several hundred dollars to replace the building, together with its contents.

This fire started practically where the other one, a week or ten days ago, left off, so that the corner next to the track is now completely cleaned out.

Same Old Story But a Good One.  
Mrs. Mahala Burns, Savanna, Mo., relates an experience, the like of which has happened in almost every neighborhood in this country, and has been told and related by thousands of others, as follows: "I used a bottle of Chamberlain's Colic and Diarrhoea Remedy about nine years ago and it cured me of flux (dysentery). I had another attack of the same complaint three or four years ago and a few doses of this remedy cured me. I have recommended it to dozens of people since I first used it and shall continue to do so for I know it is a quick and positive cure for bowel troubles."—Adv.

Hot Weather Diseases.  
Disorders of the bowels are extremely dangerous, particularly during the hot weather of the summer months, and in order to protect yourself and family against a sudden attack, get a bottle of Chamberlain's Colic and Diarrhoea Remedy. It can be depended upon. Many have testified to its excellence.—Adv.

### Homes For Sale
