

MISS SCHILKE IS TO TEACH

Will Have Charge of Music and Commercial Departments.

WALLOWA, Aug. 22.—Miss Friederike Schilke of La Grande will have charge of music, stenography and typewriting in the local school during the coming year. She was graduated in music from the University of Oregon in June. At the university she majored in music, was a member of the Glee club and other musical organizations, and staged several operettas in the university high school. She is qualified in public school music, orchestra, band, and to give piano and voice lessons. Miss Schilke was formerly a stenographer for two years and is making additional and special preparation during the summer for teaching commercial work.

The teacher of English for the coming year is Miss Bernice Mc-Killips of Utah, who was graduated from Whitman college in June. She attended the University of Utah one summer also. Her schooling has been broad, and she is prepared to teach other subjects besides English, in which she majored. She has a very pleasing personality and is a lady in every respect. She is highly recommended by Whitman.

SUMMER PESTS

Cause of Appendicitis.
When the bowels are constipated, the lower bowels or large intestines become packed with refuse matter, that is made up largely of germs. These germs enter the vermiform appendix and set up inflammation, which is commonly known as appendicitis. Take Chamberlains Tablets when needed and keep your bowels regular and you have little to fear from appendicitis.—Adv.

The Very Best Made.
When you buy candies at Al Cain's Candy Store you know he is going to give you the best candy it is possible to make. One man is busy all the time making candy and often two people are rushed at the candy work in Cain's Candy department, and every Saturday and Sunday he is busy offering you something especially nice and at about half the general store price.

Delicious! Why? Because it's toasted to seal in the flavor. It's toasted.
