SENATE WILL GO AFTER HECKLERS GOAL MINERS ARE ABOUT TO STRIKE

WASHINGTON, Aug. 24.—Investigation of the activities of the National Grain Dealers Association and other organizations alleged to be engaged in "combating legislation for the relief of agriculture" was ordered in a resolution adopted today by the senate.

A Washington, D. C. special dispatch to the Portland Oregonian says: A labor strike greater than any the United States has ever experienced is taking form in the troubled situation confronting the coal industry today.

Senator Kuylen said the trouble is sought because of the report that at a conference in Cincinnati in June under auspices of the National Grain Dealers Association it was determined to institute an active campaign against the United States Grain Growers, Inc., a co-operative marketing concern.

Miners are running from two to three days a week; production is below the 1913 level; actual earnings of mine workers generally are close to the bare subsistence point; through rates of pay are higher than ever before, and the country appears to be fairly well stocked with fuel.

Another La Grande Case

It Proves That There's A Way Out for Many Suffering La Grande People.

Just another report of a case in La Grande. Another typical case. Kidney ailments relieved in La Grande with Doan's Kidney Pills.

E. J. Bazel, 1409 Monroe Ave., La Grande, says: "I can certainly endorse and recommend Doan's Kidney Pills for I never used anything that did me so much good for my back and kidneys. I have been subject to kidney trouble at times particularly when I was in the lower part of my back. Dull aching pains would come on and my kidneys would get badly out of order. I started to use Doan's Kidney Pills and from that time on I have had something on which I could rely. Whenever I am bothered it only takes a short use of this medicine to set me right and now I am perfectly free from kidney trouble. I can give to prominent Doan's Kidney Pills the best kidney remedy to be had." (Statement Given November 25, 1920.)

Mr. Bazel says: "I know there is nothing better. La Grande says: 'I have the best sign of kidney complaint a short use of Doan's is sure to give me prompt relief.'"
