

The famous boiling water test.

Demonstrating beyond question the durability of the Gregory finish.

No more need the table you buy be ruined by the slightest accident. This may now all be avoided.

GREGORY QUALITY

Dining Room Tables

Finished with Valentine's famous Valspar

- positively will not turn white
- cannot be damaged by scalding hot or ice-cold liquids.
- are most resistant to acids, alkalis, or oils.
- retain permanently their beautiful finish in spite of accidents and mishaps in the home.
- are unexcelled for beauty and symmetry of design and quality of workmanship.

We invite you to see these wonderfully finished tables at our store. The boiling water test will convince you of their absolute superiority and marvelous durability. This is the kind of table the housewife has long wanted and often demanded in vain. Gregory Tables with the Valspar finish tops are made in the choicest cabinet woods and in the various period designs.
