SHE IS PICTURE OF HEALTH NOW

Portland Woman Says Nobody Knows How She Suffered For Many Years.

"No one but myself knows what I suffered from nervousness and indigestion for many years, but, thanks to Tanlac, I am in perfect health now," said Mrs. Bertha Carlson, 695 Quinby St., Portland, Oregon.

"I had so little appetite I had to force myself to eat enough to keep alive. My kidneys were all out of order and my back hurt me like it would break in two. I was so nervous I couldn't get any restful sleep and in the mornings would drag myself out of bed feeling weak and miserable."

"Since taking Tanlac I have a splendid appetite, and although I eat three hearty meals a day, my stomach never bothers me a bit. My friends tell me that I am the picture of health, and I know I never felt better in my life than I do now. I cannot help having faith in Tanlac and have started my son taking it."

Tanlac is sold in La Grande by Silverthorn's Family Drug Store and all leading druggists.—Adv.

COVE, Sept. 7.—(Special.)—School began yesterday. The small boy has bidden goodbye to all his summer pleasures and his countenance is wearing that worried look common to his kind at this season of the year.
