24 1/2 Million Dollars Invested by Employees of Swift & Company

More than 21,000 employees of
Swift & Company own or are pay-
ing for shares in the business. These
men and women have attested
their faith in the integrity and good
will of the company by investing
their savings in the business.

Their holdings represent a
total of nearly 250,000 shares, the
par value (\$100 a share) of which
is more than \$24,500,000.

These 21,000 represent more
than one-third of our average
number of employees!

One man out of every three, in
plant, office, and branch house,
from the handworker on the floor
to the brain worker at the desk;
working with us as well as for us,
devoting himself to his own busi-
ness while devoting himself to ours;
promoting his own interests in
every motion of moment saved, in
every product improved or main-
tained at perfection, in every service
rendered through prompt, thorough,
effective distribution of products.

This interested, eager group of
fellow partners working with us for
the good of Swift & Company and
the public which we serve, consti-
tutes one-half of the ownership of
Swift & Company in point of num-
bers, and nearly one-sixth in point
of shares outstanding.

It represents practical and suc-
cessful progress toward the end at
which enlightened modern industry
is aiming for the solution of indus-
trial problems—toward cooperation,
mutuality, brotherhood in busi-
ness, for the good of all.

COVE SIDE WALKS ARE DANGEROUS

One Resident Falls Through
Bad Hole and Injures
Head; Bad Walks Cause
\$5,000 Suit.

COVE, Sept. 27.—(Special).—The
work in small prune orchards is well
underway; but work in large or-
chards, such as Conklin & Dean will
begin Monday.

Many sidewalks of Cove are in bad
condition. Judd gear is going about
with his face badly battered up, a re-
sult of stepping into a hole in the
dark.

Miss Edna Comstock, who receiv-
ed serious injury a year ago, from
walking off a walk in the dark, has
sued the city for \$5,000 damages.

L. E. Anderson will take examina-
tion on Saturday, Sept. 24. He is
the sole candidate for the post of-
fice position at this place.

The three children of Logan An-
derson, Thelma, Logan and Conrad,
have been quite ill with tonsillitis.

father's residence here. He is under
the care of Dr. Landis of La Grande.

dinner party Friday in honor of her
friend Mrs. Thurlow Van Vlack, of
Portland who is visiting here.

J. B. Love has returned from a
three weeks camping trip on the Mi-
nam.

Mr. and Mrs. Will Horx are the
happy parents of a small son, born
Sept. 20.

Mrs. Nellie R. Grace, public libra-
rian has been laid up with a sprained
ankle.

employment.

Mrs. Mae Kelley spent a few days
recently with her son, Francis, in
Pendleton.

A copy of the new county direc-
tory has been left in Cove and is en-
tirely worthless to Cove in the opin-
ion of many. Many of our leading
citizens do not appear in its pages
at all and many names appear who
do not now, nor never have resided
in Cove, while many names appear
spelled wrong on whose given names
are incorrect. We hope its compila-
ers have been more successful with
other towns than Cove.

Royal Allen of Cody, Wyoming is
spending a week in Cove. Mr. Allen
is a Cove product, coming here at
the early age of three and spending
here all of his youth and many adult
years, having been principal of Cove
school for several years, and resign-
ed to take up "Big Club" work out
in Wyoming. He makes his home at
Cody and is now county agricultur-
ist and a very busy man, traveling on
an average of 900 miles every month
in a Ford car looking after his agri-
cultural interests.

There is a new 100 ton silo going
up on the Richey place.

Mr. and Mrs. J. E. Stearns, Miss
Mae Stearns and Mrs. Fowler of La
Grande and Mrs. Trindal of Salem

Several of our townspeople were
in Union this week for dental work.
A good live dentist is needed in Cove.
People of all ranks and ages, no one
excepted, find it necessary to seek
the services of a dentist occasionally
and find it very inconvenient to go
outside for that service.

Mrs. Geo. Alexander is busy get-
ting her town house ready for occu-
pancy. They expect to move in by
the end of October.

Mrs. Nip Conley invited fifteen lit-
tle misses on Saturday to celebrate
her daughter Beryl's birthday. In
the little game played the honor was
won by Miss Charlie Conklin.

A car driven by Mac Saunders was
overturned in the highway Saturday
night. They were driving at a rapid
rate of speed and in attempting a
short turn the car was overturned
and badly wrecked.

jured.

simply because it is not packed right.

Many a time you have passed some one on the
street carrying a bag of coffee. The aroma it
gave off made you hungry for a cup of it too.
That was the flavor—the real life of the coffee
passing into the atmosphere.
