The Reason For This Announcement

This announcement, that the members of the firm of the Hill Department Store have decided to dissolve partnership, will, no doubt, come as a surprise to a great many people of La Grande and vicinity. For the past five years Mr. A. T. Hill, Mr. W. S. Parker and Miss Cora A. Burau have been associated together as members of this firm, conducting a general department store business and have enjoyed a generous patronage, which they have always tried to merit by giving high grade merchandise at lowest possible prices. Owing to other interests, Mr. W. S. Parker, the present manager of the store, and Miss Burau, both are desirous of withdrawing from the firm, and to retire from the store, hence occasioning this announcement. After the stock of merchandise now on hand has been reduced to a certain desired amount, Mr. A. T. Hill, the senior member of the firm contemplates taking over the remainder of the stock and to reorganize the firm, and to continue the business as heretofore in La Grande, but under another management.
