THE OUTBURSTS OF EVERETT TRUE—by Condo.

involute just as they had been awkwardly and not all too securely nailed on, perhaps by the young writer herself.

Toward the last, however, this trust, which was kept with such scrupulous honors by the University for three years, was becoming embarrassing it was with a general feeling of relief that the mailing department yesterday started the packages to Opal Whitley New York. Whether the boxes contained any memoranda, any rough notes or preliminary drafts, that would throw light on the subject of Opal's diary, no one will ever know. While she desired to have the boxes shipped to her, she seemed not all panicky to be reminded by the University of the existence of the boxes which she had

apparently forgotten. It is considered here that if she had recalled any contents that might prove disconcerting she would have showed more anxiety and more impatience to get them once more in her possession.

Run Down?

Kidney and bladder troubles are not limited to men. Housework, or work in office or factory, causes women to suffer from weak, overworked or diseased kidneys. The symptoms are—puffiness under the eyes, sallow skin, constant tired feeling, lack of ambition, nervous condition, backache, rheumatic pains, sore muscles, stiff joints.

Foley Kidney Pills

get right at the cause of suffering and misery, regulate the kidneys and bladder and restore the diseased organs to sound and healthy condition.

Mrs. Wm. Fisher, 2099 Woodbourne Ave., Louisville, Ky., writes: "I am just getting along fine. I am taking Foley Kidney Pills every other night. You should have seen me before I started I was yellow as gold, now my eyes and skin are all cleared up. My kidneys do not bother me at night any more. If it will help some other poor soul who is suffering you may use my name whenever your medicine is advertised."

ROOSEVELT TO BE HONORED

American Legion Headquarters Urges All Posts To Observe Birthday.

INDIANAPOLIS, Ind., Oct. 20—Observance of Theodore Roosevelt's birthday on October 27 is urged upon all posts of the American Legion in instructions being sent out by national headquarters of the service organization. The 11,000 Legion units are asked to organize celebrations of their own or to take active part in exercises arranged by other community bodies.

"The American army in France and in the camps at home never had a better friend than Theodore Roosevelt," the Legion instructions read. "If he had had his wish he would have fought and died at our side; as it was, he fought the good cause at home until, like the soldier on the firing line, he fell fighting, with his face to the enemy. By his vigorous efforts for preparedness he made all Americans his debtors. No one will ever know how many American lives were saved to future usefulness by his appeals for adequate protection before war came."

Legion posts likewise are cooperating with the Roosevelt Memorial Association in collecting memorials of the former President. Members of the organization in all parts of the country are surrendering letters which Col. Roosevelt had written them, acknowledging applications for service in the division which he tried to form for world war service, along with other mementoes of the great American for preservation by the memorial society.

EXCITED OVER SOAP BOX

UNIVERSITY OF OREGON, Eugene, Oct. 20—(Special)—Three boxes, possibly containing some of the secret of the "Ray of Opal," were yesterday shipped from the University to Opal Whitley in New York.

These boxes have been stored for three years behind locked doors in the basement of Villard Hall. After Opal Whitley became famous through her precocious diary in the Atlantic Monthly, and after criticism began to assail the authenticity of the story which contain an astonishing denial of the writer's Oregon parents, the existence of these three

containers at the University became known to those trying to solve the mysterious authorship of the remarkable childhood biography. But in spite of frequent opportunities to make public the contents of the three soap boxes, which were heavy as if packed with notebooks and school texts, the seals remained unbroken and the lids were undisturbed and

USE SLOAN'S TO WARD OFF PAIN

LITTLE aches grow into big pains unless warded off by an application of Sloan's. Rheumatism, neuralgia, stiff joints, lame back won't fight long against Sloan's Liniment. For more than forty years Sloan's Liniment has helped thousands, the world over. You won't be an exception. It certainly does produce results. It penetrates without rubbing. Keep this old family friend always handy for instant use. Ask your neighbor. At all druggists—35c, 70c, \$1.40.

Do Your Children's Eyes Need Help?

Now is the time when the child with weak eyes is experiencing the most trouble. For hours every day and often under artificial light during the evenings, they have to pore over books. The constant strain is particularly telling. Even a slight weakness of the eyes develops rapidly under such a strain into something more serious.

Such children need glasses. Properly fitted lenses will take care of the overload. If cared for now the weakness may be overcome by the time the child is full grown. If not, the time will soon come when glasses will be absolutely necessary and doubtless for life. It is only fair to the child to make an effort to save them from this if possible.

If your children are backward at school work or complain of frequent headaches or smarting and stinging sensations in the eyes, have a competent optometrist make an examination.

TORIC LENSES

TORIC LENSES

Glasses fitted upon such an examination will relieve them from the tremendous strain under which they are now working. It will enable them to go through the days work with the snap and vigor natural to childhood. You will note an improvement in their work. And, best of all, you are saving their eyes for the future.

Our Equipment is complete in every detail.
