IDLE 12 MONTHS IS BACK ON JOB

Ohio Man Lost A Year on Account of Stomach Trouble—Is Now Well And Strong.

"Only a man who has to work for a living knows what it means to get back on the job after not hitting a lick of work for a whole year. I lost twelve months straight time on account of stomach trouble. One of the worst cases I guess any man ever had. Tanlae not only made me a well man again but built me up 19 pounds in weight. I am writing all my friends in other cities to tell them of the wonderful news."

The above statement was made by George B. Lowe, well-known employee of the Goodyear Tire and Rubber Co., living at 451 McGowan St., Akron, Ohio.

Tanlae is sold in La Grande by Silvertown's Family Drug Store and all leading druggists.

A VISIT TO MARS

On November 17th, next year, the distance between the Earth and Mars will be only 48,000,000 miles. If we had 6,000 worlds the size of ours placed side by side at that time, we could walk right over and visit with the Martians, but it would take us about 12,000,000 hours or 1,000,000 days to get there. This would be somewhat fatiguing to the most hardened hikers and it is not likely that the trip would be as popular with the public as the famous

has become in every part of the city. KING KOAL always gives perfect satisfaction because of its high heat units and absence of waste matter. EVERY pound of KING KOAL burns, and produces the maximum heat, and makes a strong, clean fire.

FORDSON TRACTORS

\$625.00 F. O. B. Detroit

"The Tractor will enable the farmer to work fewer hours in the day, giving him more time to enjoy life. I believe the tractor will make farming what it ought to be—the most pleasant, the most healthful, the most profitable business on earth."—Henry Ford

This tractor has done much—very much—in bringing true Mr. Ford's prophecy; for in it is a machine which has harnessed one of the most dependable, efficient, adaptable, economical sources of power in the world—a machine that saves from thirty to fifty per cent of the farmer's time—a machine which means farmers claim plows, harrows or drills as much ground in the same time as four, six or even eight horses. And more—a machine that takes care of every power job on the farm.

Let our sales talk it over, or telephone or drop us a card and we will bring the facts to you.

OH! MY BACK!

The Expression of Many a Kidney Sufferer in La Grande.

A stubborn headache is cause to suspect kidney trouble. When the kidneys are inflamed and swollen, stooping brings a sharp twinge in the small of the back, that almost takes the breath away. Doan's Kidney Pills revive sluggish kidneys—relieve aching backs. Here's a Grande proof:

J. R. Shockley, 5044 N. Ave., says: "Several years ago I had kidney trouble and suffered from a dull aching across the small of my back. When I stooped it was all I could do to straighten up and my kidneys were irregular in action. A friend advised me to use Doan's Kidney Pills and I decided to try them. They soon fixed me up in good shape. The aches and pains left and my back was strong and well."

Price 60c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Shockley had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.
