## Look up at your ceilings

If the plaster is cracked, broken, unsafe or unsightly, it is time to Upsonize!

IN a day or two you can completely transform a room—you can have walls and ceilings of enduring beauty—simply by having your carpenter apply panels of Upson Board right over the old plaster.

Good wall board is everywhere recognized as the nearest perfect lining for walls and ceilings. But there is a big difference in wall boards! By actual test, Upson Board is nearly twice as stiff and strong as other wall boards, holding to the nails where weak boards might pull away.

**Tile your kitchen and bathroom**

Upson Fibre-Tile makes spot-white sanitary bathroom walls. It looks like expensive ceramic tile, but costs only one-third as much.

There is a square tile pattern, also, particularly adapted to kitchens. Ask for samples.

The price has been reduced

Here is the approximate low cost of the Upson Board required for the ceiling of the average home room, excluding cost of labor and trim:

Size of room	Cost
12 x 12 ft.	\$8.00
12 x 14 ft.	9.00
12 x 16 ft.	10.00
12 x 18 ft.	11.00
12 x 20 ft.	12.00

BENJAMIN H. KAUFFMAN, Reading, Pa.

"There's no doubt in my mind that Tania saved my wife's life," was the positive statement of Benjamin H. Kauffman, 506 Bingham St., Reading, Pa., popular clothing salesman for the well-known firm of Croll and Keck:

"I was almost desparate from worrying over her condition, as she had suffered so long without getting relief and I can hardly believe my own eyes now when I see the change in her. Why, she doesn't show her age by twenty years and declares she never remembers feeling better in her life. Her health was failing steadily for a year as a result of catarrh of the stomach, and I have never seen anybody suffer as much from indigestion and nervousness as she did.

"After a five weeks' course of Tania she was like another person, and I'm firmly convinced that years have been added to her life. It makes me shudder now when I think what the result might have been if she hadn't taken Tania in time."

Tania is sold in La Grande by Silverthorn's Family Drug Store and all leading druggists—Adv.

## KILLS THREE WITH ONE SHOT

IOWA SCHOOL DISTRICT, Nov. 2.—We are glad to see this fine weather as it is aiding the stockmen to gather in the stock from the mountains. Several bands of horses and herds of cattle have been driven in, but some of the riders went back this morning to round up the remaining ones.

Mr. and Mrs. William Evans feel the misfortune to lose their wood house by fire. The greatest loss was their winter wood, with which the elderly couple had very carefully filled their shed. They were away from home at the time and as it was raining the fire did not spread to other buildings.

August Erickson holds the championship for straight shooting in this vicinity. The "father of hawks" has been defying the neighborhood, and living on the head of the fowls. It just happened that August was at home one day when Mr. Hawk swooped down. He grabbed his gun, Mr. Hawk died and also a couple of his wife's chickens. It isn't everybody that can kill three birds with one shot. Sentence has not been pronounced.

Miss Ella Betts has gone to town to help Mrs. David Stoddard in the care of her household.

While eating bread for her dinner, Mrs. J. E. Hulst, accidentally cut her hand. She is learning how much a person can do with one hand.

John Williams and W. H. Puller went into the mountains in search of big game.

Monday afternoon the school had a short program in honor of Halloween. The school is progressing excellently under the able management of Miss Viola Briggs.

### A TIMELY SUGGESTION.

This is the season of the year when the prudent and careful housewife replenishes her supply of Chamberlain's Cough Remedy. It is almost certain to be needed before the winter is over and results are much more prompt and satisfactory when it is kept at hand and given as soon as the first indication of a cold appears and before it has become settled in the system. There is no danger in giving it to children as it contains no opium or other harmful drug—Adv.

### Chinese Government Dunned for Millions

WASHINGTON, Nov. 2.—The attention of the Chinese government has been called to the failure of that government to meet its payment on the principal and semi-annual interest on the five and a half million dollar loan extended by the Continental and Commercial Trust and Savings Company of Chicago.

### Chamberlain's Tablets Have Done Her A World of Good.

"Chamberlain's Tablets have done me a world of good," writes Mrs. Ella L. Burton, Kirksville, N. Y. "I have recommended them to a number of my friends and all who have used them praise them highly." When troubled with indigestion or constipation, give them a trial and realize for yourself what an excellent medicine it is—Adv.
