Physicians and other scientists have given a new meaning to the words "preventive medicine." We may not be far removed from the time when we will adopt the quaint Chinese method of paying the doctor a fee only so long as he keeps us well.

NATURE needs help at any age, and proper corsetry in early years often corrects error of balance and unfortunate figure tendencies that mar the beauty in later life.

Our expert corsetieres have made some most interesting and successful studies of this problem with

GOSSARD Front Lacing CORSETS

There are some new and special models in these original front-lacing corsets—so pliable and so skilfully and naturally modelled that you are unconscious of their support except for a comfortable feeling of well-being.

A visit to our corset department may save you later the discouraging task of attempting to regain lost figure lines.

A TIMELY SUGGESTION.

This is the season of the year when the prudent and careful housewife replenishes her supply of Chamberlain's Cough Remedy. It is almost certain to be needed before the winter is over and results are much more prompt and satisfactory when it is kept at hand and given as soon as the first indication of a cold appears and before it has become settled in the system.

WORRIED ABOUT HER DAUGHTER

Portland Child was Weak and Puny—Is Now Picture of Health.

"Tanlac must be a wonderful medicine to do what it has for my little six-year-old girl," said Mrs. S. P. Temple, who resides at 464 East Clay St., Portland, Oregon, recently.

"Maxine had been suffering from loss of appetite for a year or more. Nothing seemed to agree with her and it's a mystery to me how she lived on the little she would eat. Her kidneys were disordered and weak, too, and she was so thin, pale and puny looking that I was uneasy about her all the time. She was dull and languid all the time and never wanted to get out and play like other children.

"Well, my dad had been helped so much by Tanlac that we all think it the grandest medicine in the world. I didn't know of course how it would act on my little girl, but I had her take a bottle anyway and it is simply astonishing how it has brought her out. Why, she's out at play all the time, I with her and she no longer looks or acts like the same child. Her kidneys are in much better condition, too, and she is just bubbling over with energy. Why, she's out at play all the time, I just can't keep her in the house. I am so thankful to see my little girl so healthy and hearty that I just can't praise Tanlac enough."

Tanlac is sold in La Grande by Silvertorn's Family Drug Store and all leading druggists.—Adv.

Mrs. Mary A. Smith has taken charge of the Elgin Restaurant and will operate it with the aid of her daughter, Lena. Mrs. Smith has had experience of this kind previously and all who know her predict success in her undertaking.

Chamberlain's Tablets Have Done Her A World of Good.

"Chamberlain's Tablets have done me a world of good," writes Mrs. Eliza L. Button, Kirkville, N. Y. "I have recommended them to a number of my friends and all who have used them praise them highly. When troubled with indigestion or constipation, give them a trial and realize for yourself what an excellent medicine it is.—Adv.

HOW NOT TO TAKE COLD.

Some persons are subject to frequent colds, while others seldom, if ever, have a cold. You will find that the latter take good care of themselves. They take a shower or cold sponge bath every day in a warm room, avoid over heated rooms, sleep with a window open or partly open, avoid excesses, over eating, becoming over heated and then chilled.

ELGIN FARMERS MOVE TO TOWN

ELGIN, Nov. 7.—(Special).—Leonard Parsons and family have moved into their Elgin home to be nearer the school during bad weather.

Walter Rheinold and Otto Klinghammer and Lee Cross went to the Minam last Saturday for a deer hunt. They returned Wednesday after having to send out for an extra pack horse, laden with four bucks and a brown bear. They report lots of deer signs.

Mr. and Mrs. Harold Hug have moved to Elgin for the winter from their Cricket Flat home.

Joe Wheeler from the north end of the Flat transacted business in town Friday.

George McDonald of Pumpkin Ridge was a business visitor this week.

Dennis McCullough has moved his family to Cove for the winter. They were assisted by Mr. Adeok. Hunters report grouse very plentiful in the hills.

Several sales of wheat were made this week at about 77 cents. Joe Witherspoon of the Flat disposed of about 800 bushels of his crop at this figure.

Ed Harris has sold his residence to William Roulet. This property is one of the choice homes in Elgin and was sold only because Mr. Harris wishes to move to a lower altitude for the benefit of Mrs. Harris' health.

Elgin's apple crop is rapidly being made ready for the market. H. H. Witherspoon is running three eight-hour shifts of packers, and other owners are making much headway in preparing their fruit. The Winter Banana and Rome Beauties are the finest this section has had in years. The famous Elgin Delicacies are no quite so large as they sometimes are but the flavor is very good.

Carl Barlow, eldest son of O. W. Barlow, of the Elgin greenhouse, has returned from a five weeks' visit with his grandfather in Seattle.

Mrs. Meri Allen and Miss Pauline Becker have both been in La Grande with their mother, who is recovering from an operation in the hospital there. Mrs. Allen is staying at the Eugene Hug home there.

Mr. and Mrs. W. F. Hug and Mrs. Bernal Hug and son made a business trip to La Grande Thursday.

Mrs. Theibert Choate has gone to La Grande for medical treatment.

A Good Farm For Sale

160 acres in the heart of the valley known as the John Shaw farm one and a half miles East from the Iowa school house, about two miles West from Alcol. Good, modern, up-to-date home, barn and out-buildings; all fenced and cross fenced; deep wells, with pumping plants; every foot under cultivation and first class sand ridge soil.

There is also a 44 acre tract about two miles south and east from this tract belonging to the same parties that can go with this place, at the same price, that also has good improvements, and the price is right—\$150 per acre—small cash payment will handle it. Come in and talk to us about it.

Is Edison Right? "Thinking the hardest thing in the world for those who have not formed the habit?" We do not believe it is for the people of the Northwest—who have the reputation for doing things on a big scale. We believe that they will stop and do a little intensive thinking. Did it ever occur to you that BETTER COFFEE is roasted here in the NORTHWEST than a thousand miles away? Do you know what a surpassingly rich and mellow flavor ROYAL CLUB COFFEE has? Thousands of pounds of Royal Club are roasted fresh every day in Portland—VACUUM PACKED to retain the flavor. In a public message, Governor Okeitt urges the public to buy Northwest manufactured products. The loyalty of Californians to the products of their state is proverbial. If you believe in the Northwest and wish to build up Northwest industries, use ROYAL CLUB or some other NORTHWEST ROASTED COFFEE. Think this over!
