Home from Portland Trip—

Mr. and Mrs. Charles Playle have arrived home from Portland, where they attended the live stock show and visited friends. They spent several days with their son, Audmer, who is attending the college at Corvallis. Mr. Playle says Audmer and the rest of the agricultural county delegation at Corvallis are happy and doing well.

Home from Portland—

David I. and Earl Stoddard arrived last evening from Portland, making the trip home in a Franklin sedan which was wrecked several months ago which was rebuilt in Portland. The trip from the Columbia Gorge hotel was made in good time, leaving the hotel at about six in the morning and arriving here late in the afternoon. The car behaved just as well as a new car could be expected to. There is six inches of snow at Kamela and it was snowing all the way down to Perry yesterday, the Stoddards state.

Snow Causes Machines to Collide—

This morning bright and early Guy Glenn's automobile ran into Rupert Sweigert's machine in the intersection of Adams and Elm streets. Snow had collected on the wind shield so that the drivers could not discern objects any distance and the falling snow acted as a curtain to hide each machine. The bump was not a severe one yet it disabled both cars a great deal. Each machine seemed to suffer damage to about the same extent.

Leo McDowell Jr., Arrives—

Born to Mr. and Mrs. Leo McDowell, an eight-pound son. The young man arrived at the Grande Ronde hospital at one o'clock today.

Seriously Ill—

C. D. Putnam is in a serious condition as the result of an attack of appendicitis. He took ill Armistice Day. His condition is causing much concern among his many friends.

Re-Decorating Rex Hall—

Decorators are at work this week changing the interior of Rex hall to conform to the state of Mr. and Mrs. Norman Desilet who have the building under lease. The walls and ceiling will be white and gray with proper trimmings and decorations. It will require several days to complete the work, but the hall will have a very cheerful appearance when completed.

Off to the Big Game—

Lyle Kiddle, Fred Kiddle, Fat Prescott and Don Meyers left overland today for Corvallis where they will inspect all the Fraternity houses and renew their acquaintance. They will then drive to Eugene where the same procedure will be followed before attending the game between O. A. C. and U. of O. Saturday. They expect to practice their yells on the way down and if some rancher don't shoot them for a bunch of cougars they will be lucky, according to their own statements made before starting.

RELIEF WORK PLEDGES MADE

Mr. and Mrs. W. E. Rambo, who were here several days last week, have returned to Portland after turning the local Near East Relief work over to a local committee. On Sunday night a mass meeting was held in the M. E. church, at which the work and the necessity of carrying it on was explained to the audience. At this time the sum of $505.85 was pledged towards the work by the audience.

Monday a film showing the actual conditions in Armenia was shown on the screen at the Star theatre during the afternoon, the title of the film was "Alice in Hungerland," and it showed graphically the need of relief for the Armenian children.

MANY AIDED BY THE RED CROSS

According to the report of Mrs. Fay T. Catlin, executive secretary of the Red Cross, for the month of October, services were given to 187 families, of which 145 were post-war cases. The material relief extended was heavier than at any time since Mrs. Catlin took charge of the work here in August, 1920. The monthly average was about trebled. This is due in part to the fact that expenditures were made on authorization of the county court, which will later reimburse the Red Cross.

During the month the Red Cross co-operated with 52 agencies outside government departments in giving relief.

LARCENY ALLEGED.

BOSTON, Nov. 17.—J. Weston Allen, attorney-general was indicted for larceny by the Suffolk county grand jury today.

The larceny alleged was said to be a small amount involved in a case which he handled as counsel several years ago.

MORRIS IS BACK ON THE OLD JOB

Portland Man Gets Rid of Rheumatism And Has Gained Thirty-Three Pounds.

"Tanlac put me back on the job and I'm strong for it," said R. R. Norris 1615 Huron St., Portland, Oregon.

"I hadn't been in very good health for a number of years, due to stomach trouble and rheumatism. I finally got to where nothing I ate agreed with me, and I suffered intensely with rheumatic pains in my arms and shoulders, especially in damp weather.

"I'm like a new man these days, am thirty-three pounds heavier and haven't a trace of rheumatism. I'm willing to go down in black and white as saying Tanlac is the best medicine in the world."

Many times Tanlac has done what was thought to be impossible. It's worth your trial.

Tanlac is sold in La Grande by Silverthorn's Family Drug Store and all leading druggists.—Adv.

Society

Two of La Grande's excellent young people were married Saturday afternoon when at the hour of 4 o'clock Rev. J. Quigley, pastor of the Methodist church, pronounced the solemn ceremony binding until death do them part, Mr. Roy Currey and Miss Rose Maier. Both the bride and groom are in the younger set holding popular places with their friends. Mr. Currey is the son of Mr. and Mrs. Fred B. Currey and has resided in La Grande during his entire life. The Currey family is among the most substantial of this valley and Roy is a young man who has made good in every way. At present he owns and conducts the Currey Press, a printing establishment on Elm street. The bride is the daughter of Mr. and Mrs. George Maier and is very much beloved by her large circle of friends. Mr. James Towery and Miss Kate Maier, sister of the bride, attended the bride and groom. Mr. and Mrs. Currey will make their home in La Grande and have already taken up the duties of establishing a home. The very best wishes of La Grande people are with them.

COMMISSIONER STODDARD WILLING TO RESIGN

(Continued from Page One.)

next year," President Grandy declared. On the vote on this item Grandy and Stoddard voted yes and McKennon no.

Budget Reduced.

The total amount of the budget was reduced from $117,098.40 to $111,962. On this question the vote of the commission was Grandy and Stoddard in favor and McKennon opposing.

The engineering department's estimate was revised and an item of $450 taken out while an appropriation of $2940 for the resurvey work started this year was included. H. E. Dixon as an interested taxpayer, talked in favor of including the resurvey. He called attention to the necessity of having a survey of the city which ties together all additions uniformly so that when making street and other improvements the difficulty now experienced in finding bench marks and monuments to tie to will be eliminated. Mr. Dixon was a civil engineer in the townsite division of the Northwestern railroad company for several years and declared that the city of La Grande is in as bad shape as any place he has ever seen in that respect. He pointed out that the saving in ten years time in engineering expenses will be many times the cost of the work. The commission passed this item of the budget with Grandy and Stoddard voting yes and McKennon no.

An appropriation for establishing grades, the amount being $2405, was passed with Grandy and Stoddard voting in favor and McKennon against.

Salaries Unchanged.

The amount to be paid to officials for salaries, $9705, was left unchanged excepting that the offices of city engineer and city manager were combined. Grandy and Stoddard voted yes and McKennon no on this item.

An item for $3185 for the city building, $1500 of which is to be used for repairing the foundation so that danger of the building dropping into the cellar is removed, was passed with McKennon dissenting.

The library appropriation of $6,900 which is $500 higher than last year was passed after some discussion, objection being voiced to the amount but an effort to cut it down to $5500 failing. Stoddard and McKennon voted in favor and Grandy against the appropriation.

The emergency fund was reduced by the amount of the proposed six per cent tax increase. It was intended to have this fund $7750 but this was cut to $4700. During the discussion statistics were presented showing that while La Grande will raise only $50,080 of its revenue by taxation next year, Pendleton raises $92,000 through that channel and Baker $81,825.60.

The appropriations provide for levying the same taxes for 1922 as were levied for this year.

WORK OF RED CROSS PRAISED BY DIXON

(Continued from Page One.)

has accomplished a wonderful work during the past year and is doing a great work every day and if supported will continue to do great work during the coming year and every man, woman and child in Union County, outside of the very people who must necessarily receive the aid of this organization should be members thereof. Memberships should be taken out in the family not only for the head of the family but for all members of the family as the amount asked in any case is small and where there are no children then the sustaining membership or some of the other various degrees of membership should be taken out for more than the $1.00 for everyone should get in on this basis, deny themselves some little luxury which they otherwise would get and feel that in so doing they are helping some one else.

"We think that we are afflicted with hard times but if we had to contend with some conditions that are faced by the peoples across the sea and by some of the peoples here in our own homeland and here in our own city we would indeed know what hard times mean and there is no one regularly employed or with a regular business or occupation who is so poor that he cannot deny himself some luxury, something which he otherwise could get along without and join the Red Cross."
