NO CHANGE IN WALLOWA BUDGET

County Court's Budget Shows Practically Same Figure as for Year 1921.

ENTERPRISE, Nov. 21.—A budget for 1922 with the total practically the same as for 1921 was prepared by the county court last week. The estimated amount of money needed to run the county next year is $201,687. In addition to this will be the state tax and the various city and school district taxes.

The hope of the county from an impersonal and purely financial viewpoint is found in the estimate that $40,000 in delinquent taxes will be paid in next year. If this proves to be the case, and there is not a corresponding delinquent list next year, the county will be able to meet all its obligations handsomely.

Roads come in for the largest appropriation in the whole budget, appearing in several items. Thus first comes $50,600 for roads and bridges, labor material, supplies, equipment and engineering. This is for the ordinary repair and maintenance of county roads. Then comes $12,000 interest on road bonds; $25,000 for the completion of the gap in the valley highway; $15,000 statutory appropriation for county roads, being a one mill levy as required by law, 70 percent of which must be paid to the several road districts, and $22,500 for market roads. These various items total $125,000 or more than half of the budget. No specific mention is made of a county engineer.

Italian House to be Anniversary Present

NEW YORK, Nov. 21.—The Italian club, or Circolo Italiano of Columbia University is to present to the university, in commemoration of the Dante Tercentenary, an Italian House, through which they hope to promote closer intellectual relations between Italy and the United States. Funds for the house are being raised with the aid of a committee of prominent Americans, including Robert Underwood Johnson, General Coleman du Pont, Thomas Nelson Page and William Guggenheim. They have asserted in a statement explaining the purpose of the gift that "the magnitude of Italy's contribution to modern civilization and culture is not understood in America."

INTEREST RATES ARE REDUCED

SPOKANE, Nov. 21. — Interest paid by the Northwest Wheat Growers Associated on funds from the $10,000,000 loan of the war finance corporation which are being used in advances to growers has been reduced from seven per cent to six per cent. Approximately half a million dollars already have been placed in advances to members from the federal money out of the Spokane office alone.

The total receipts from Washington and North Idaho at the Spokane office up to Friday, November 11, totalled 6,159,649 bushels. This represented an increase of 150,00 bushels from the total of the previous week. Advances during the week increased from slightly below $3,500,000 to $3,650,233, a gain of over $150,000. The amount remaining to be paid to growers in advances, which includes advances which are left to draw interest with the association at the request of the member, has been reduced to considerably less than $300,000.

HOW NOT TO TAKE COLD.

Some persons are subject to frequent colds, while others seldom, if ever, have a cold. You will find that the latter take good care of themselves. They take a shower or cold sponge bath every day in a warm room, avoid over heated rooms, sleep with a window open or partly open, avoid excesses, over eating, becoming over heated and then chilled and getting the feet wet. Then, when they feel the first indication of a cold, they take Chamberlain's Cough Remedy without delay and it is soon over.—Adv.

COVE PASTOR ACCEPTS CALL

COVE, Nov. 21. (Special) — Dr. Oftedal has accepted a call to Sumpter, leaving on the afternoon of the 17th. The family will not go until the first of the year. He has but recently returned from Portland, where he found a promising opening in a hospital, but the call to Sumpter was more appealing. Cove regrets to lose them not only because this leaves us without a doctor, but socially. Mrs. Oftedal is active in all good works and she will leave a place not easily filled.

The seats are now on sale for the chautauqua festival. The opening number will be given December 1. The program is excellent and promises a feast to all chautauqua lovers.

Little Morton Daron, son of Nathan Daron, who was thrown from a horse Tuesday morning, and was thought to be seriously injured is about again, although still unable to attend school.

The first and second grades at school will give a joint Thanksgiving program Wednesday afternoon, at the primary room. The teachers, Miss Helen Antles and Miss Mildred Payton are working very hard for this event.

Jewel, Mrs. Geo. Anderson, Miss Helen Antles, Miss Helen Moreland, Miss Mildred Payton, Miss Emma Brown and Miss Esther Saunders.

Mrs. H. Oftedal and Mrs. L. E. Anderson entertained the Ladies' Guild at the home of Mrs. Oftedal Thursday afternoon. The afternoon was pleasantly spent in playing 500. Thousands of Tons of Vessels Lost Last Year

LONDON, Nov. 21.—Steam and sailing vessels totally lost, or condemned last year numbered 561 of 645, 60? tnos, according to statistics published by Lloyds Register of Shipping. Of

impossible, that the economical conditions in Russia were getting worse and that the Russian gold supply was rapidly decreasing.

The Minister was skeptical about opening diplomatic relations with Russia, saying that the Soviet government had never approached the Dutch government for recognition. This, he said, was natural because recognition would mean respect by Russia for the Dutch government and they could hardly expect the Soviets to respect the Dutch form of government.

Nothing to Look Forward To.

Dawson—Yes, darn it!
