MRS. MARY WILHELM
 Pittsburg, Pa.

"No matter what I should say about Tansie, it wouldn't be half good enough," said Mrs. Mary Wilhelm, 716 Mint Way, South Side, Pittsburg, Pa.
 "I never dreamed it possible for a medicine to restore me to the splendid health I now enjoy. In fact, I had almost resigned myself to being an invalid, as I could see I was losing weight and strength every day, and no relief was in sight. For three years stomach trouble, headaches and nervousness made my life miserable.
 "The first bottle of Tansie acted almost like magic and it wasn't long until I was so well and strong that I could hardly realize I had ever known a sick day. I am like a different person in every way now, eating, sleeping, feeling and looking better than in years."
 Tansie is sold in La Grande by Silverthorn's Family Drug Store and all leading druggists.—Adv.

RECALL TO BE TESTED.
BISMARCK, N. D., Nov. 23—A petition asking the nullification of the North Dakota recall election on October 28, in which three Nonpartisan state officials were ousted in favor of Independents was filed in the state supreme court Monday.
 Five petitioners, as taxpayers, allege that the petitions asking for the recall were not signed by 30 per cent of the qualified voters who voted at the preceding election for governor and that the recall election itself was illegal.
 The supreme court decided to hear the petitions at once and attorneys began preparing their informations.

COAL
 Do You Buy Coal and Get Clinkers?
 What's the transformation in your coal—clinkers and ash—or mostly all heat?
 Heat is what you expect when you order coal, but unless you say **SUPERIOR Coal** to your Dealer, you can't be sure until your money has gone up in smoke.
 Superior coal burns freely with a long flame, makes little soot, only a small degree of ash, and emits great heat.
 Nor does it cost more, for Superior Domestic Coal is the economical range in size for furnace, heater, cooker and fireplace.

ACTION POSTPONED.
WASHINGTON, Nov. 23—The Ford-Newberry senatorial election contest in Michigan was laid aside by the senate Monday night probably not to come formally before the body again for several weeks. After a day of discussion in which Henry Ford who is contesting the seating of Senator Newberry, was both denounced and defended and which was enlivened by a tilt between Senator Williams, Mississippi, and Watson, Georgia, Democrats, the election controversy was side-tracked to make way for the revenue bill.
 No agreement as to a date of a vote was reached.
