Double Quartet to Sing.
Because of lack of transportation facilities and room at the Union theatre, the Ad Club Men's Chorus has been reduced to eight men by Director David I. Stoddard for the big event at Union tomorrow evening. They will sing as specialty features during the presentation of "Jerry the Tramp" by the local theatricals group of the Ad Club, under auspices of the Union Commercial club. Following the show, dancing will be indulged in at the Union hotel, followed by a luncheon at which will be the La Grande singers and actors, and their wives and husbands, as well as a group of Union ladies and gentlemen. The evening is to be an inter-social event of no small calibre. The curtain is set for 7:45.

Union Reservations Made.
Anyone wishing to attend the show at Union tomorrow night or participate in the social functions that follow, should make reservations for seats and plates with the manager of the Ad Club before 10 o'clock Thursday.

We Like to Give Service

Or, to put it differently, has it ever struck you that it isn't the ease of the job, but your liking for it that makes it attractive?

We're in the battery business because we like it. If we can give you service that you don't know we had, we are particularly pleased. We don't stop with merely filling, charging and testing your battery, and selling you a new one when you need it. We're here to do everything we can to see to it that your battery gives you miles of uninterrupted service per dollar, and more satisfaction all around.

We like to be bothered. Come in anytime.
