

NEW PASTOR AT LOSTINE

(Special to The Observer)

LOSTINE, Dec. 16.—Rev. Weston F. Shields was installed as pastor of the Presbyterian church last Thursday morning, December 8th. Rev. W. H. Amos, Synodical Secretary for the Oregon Presbytery, of Portland and Rev. Boyle, of Baker, were the installing ministers of the Presbyterian church. Rev. Boyle conducted the song service and gave the invocation. Rev. Amos gave an excellent sermon, very applicable to the occasion, and then Rev. Amos gave the charge of pastoral duties to Rev. Shields, followed by Rev. Boyle giving the charge to the congregation as to their obligations of service and financial support. The ladies of the church served luncheon right following the services, serving sandwiches, pickles, coffee fruit salad and cake. The ministers were compelled to hurry away soon after the ceremony in order to motor to Wallowa before the afternoon train left for outside. Rev. Shields accompanied Rev. Amos to Portland to attend a meeting of the New Era Committee, of which he is a member. Mrs. Shields was here for installation services, but did not accompany her husband to Portland.

The Christmas Seals are on sale in the Lostine Drug Store, the Little Gem Grocery, the Seaman Hardware Store and M. Crow and Co., Gen. Merc. Co., and there will be plenty of opportunity for everyone to get their quota or as many as they like, to seal their Christmas mail and at the same time help along the good cause of the fight against tuberculosis.

Mrs. Geo. Lathrop of Leap was trading in Lostine on Monday.

We have had a sudden change in weather since Wednesday night, from the prevailing mild, drizzling rainy weather, we are now experiencing the chilly blasts of the north winds and about an inch of snow fell here, but is settling fast. Though the weather is far from settled, still we prefer this to the disastrous storms they have been having the past month around Portland and Seattle.

The Heim quartet of Olsen sisters—Mrs. Jennie Crow, Mrs. Hilda Moffit, Miss Myrtle and Miss Ella Olsen—sang a beautiful selection at Sunday night's services, "I'm Looking

Ceremonial Held At Pendleton Wednesday

PENDLETON, Dec. 15.—Over 200 Knights of Klaraaman celebrated Wednesday in Pendleton starting with a parade on the streets at 6 p. m., and closing their ceremonies at midnight.

With nearly 500 officers and members of the Al Klaxed temple from La Grande, and the same number from Walla Walla, including the fire and drum corps and the drill team and Dokkies from all over the county present, the big banquet and ceremonial last night was pronounced the most successful ever held in this section.

Mrs. Laura M. Hoyt Recommends Chamberlain's Tablets.

"I have frequently used Chamberlain's Tablets, during the past three years, and have found them splendid for headache and bilious attacks. I am only too pleased, at any time, to speak a word in praise of them," writes, Mrs. Laura M. Hoyt, Rockport, N. Y.

Twenty-nine candidates crossed the burning sands and were admitted to the order. The officers conducting the work were from La Grande temple and the local Dokkies assisted in the work. The parade in the evening was striking with the local band leading and included in the parade, the temple bear and camel. Officers of the temple led the parade and the El Kindi temple drill team performed on the streets. The fire and drum corps completed the line of march of nearly 200 of the knights.

J. H. Gwinn, an officer in the supreme lodge of the Knights of Pythias, was last night honored with the office of Royal Prince, during the ceremonial.

THE ECONOMY BAKING POWDER

CALUMET

Calumet possesses the farthest-reaching baking powder economy. It is the most economical leavening agent. It saves in more ways—and makes more important savings than most other baking powders.

You save when you buy it. The price is moderate—it leaves you money over the cost of high-priced brands for purchase of other articles. Costs but little more than cheap powders—far more valuable in quality.

You save when you use it. Possesses more than the ordinary raising force—you use only half as much as is ordinarily required.

You save materials it is used with. Calumet never fails with any kind of recipe or with any kind of flour—always produces perfectly raised, delicious bakings.

You'll notice a great difference when you use Calumet. Calumet produces light, sweet, wholesome, flaky bakings. You will notice with some of the cheaper brands the bakings are soggy, heavy, dark in color, and sometimes have a bitter taste.

The Law Says 16 oz. is a Pound
A pound can of Calumet contains 16 oz.
Some baking powder comes in 12 oz. cans instead of 16 oz. cans. Be sure you get a pound when you want it.

THE REASON FOR OUR SUBSTANTIAL GROWTH IS OUR SUBSTANTIAL SERVICE

"A Man in Good Circumstances"

When a man is described as "in good circumstances" we picture a pleasant home, a happy family, a few luxuries, freedom from debt.

Such a man usually attains his enviable position through his own industry and thrift. Like Napoleon, he can exclaim "Circumstances? I MAKE Circumstances."

That such men always have savings accounts is not a happenstance but a self-create circumstance.
