

LADD CANYON CLUBS MEET

LADD CANYON, Dec. 14.—Spring-like weather prevails, which is fine for farming and stock.

The Get-Together club met Dec. 1st at the home of Mrs. Clyde Hoppel. It being a bad day several of the men were present and enjoyed the afternoon with the ladies. Mrs. Kate Campbell and Mrs. Wm. Sherwood were visitors. During the afternoon Mrs. Geo. Tucker was given a shower when she received many beautiful and useful presents with the good wishes of the club. After the business meeting Mrs. Hoppel served dainty refreshments and provided a delightful hostess. The next meeting will be Dec. 15th, at the home of Mrs. Roy Hawley, when a shower will be given for Mrs. Roland Wolf. (Nell Mabel Bates).

The second party was given by the club at the Mary L. Connell home last Friday night. Mrs. Connell, with her assistants, Madeline Grandy, Tucker, Edwin and Hanton as hostesses. The people showed their appreciation of these entertainments by coming out each time, there being 55 present. The evening was spent at cards and games, after which a delicious lunch was served and enjoyed by all. The president appointed Mrs. Adolph Puelber chairman of program for the next social.

Mrs. M. C. Couch is visiting at the ranch and packing up her goods preparatory to moving into her home now nearing completion in town.

D. W. Miller and son purchased a large band of sheep this week and will winter them at the Clark ranch near Haynes. Guy Miller and Roy Titus took the band from the Miller ranch to Haynes Monday, where they will remain in charge for the winter.

Mr. and Mrs. Roland Wolf were visitors at L. Drummonds last Friday.

Mrs. C. Lofland went to town today to assist her daughters in giving a party Tuesday evening.

Wm. Herbert of Imbler was in the neighborhood Tuesday on business.

D. W. Miller sold his late lamb to the Grande Ronde Meat Co. this week.

Arthur, eldest son of Rex Conaway died Monday morning, December 12, at the Grande Ronde hospital, where he was taken Sunday suffering with stomach and bowel trouble. He was only sick a few days, but had never been real well since undergoing an operation a year ago. Arthur was 66 years old, just budding into manhood, was a bright, sunny dispositioned lad and will be missed by his chums and friends of the neighborhood. He leaves a father, sister and one brother to mourn his untimely death. They have the sympathy of a large circle of friends in the loss of a son and brother. Mildred attends high school while Harry is on the ranch with his father, and each will feel their loss keenly. Arthur was buried Tuesday in the I. O. O. F. cemetery beside his mother, who preceded him four years ago.

YOUR KIDNEYS

Your Good Health and Long Life Depend on Your Kidneys. That's Why Insurance Companies Always Insist on Urinalysis

Beaverton, Oregon.—"I take great pleasure in stating that Dr. Pierce's Anuric Tablets have done for me in a very severe case of bladder and kidney trouble. For ten years I was distressed about every thirty minutes. I doctored and doctored but no relief. My last doctor bill was \$175.00, and I was no better. I went back to my old home and my folks wanted me to give Dr. Pierce's Anuric Tablets a trial so I did and I also took the 'Golden Medical Discovery' with them to work on my liver. Now I can walk, ride, go to town and go for five or six hours without being distressed. I can not praise the Anuric Tablets too much for they are wonderful for the kidneys." —Mrs. Caroline Bolen, Box 363.

There Is No Economy In Poor Vision
PEOPLE can economize on clothing. They can on food. They can on the property they can be driven another. But glasses are needed.
There is no scale of values by which the worth of one's eyes can be measured. Like good health, it is absolutely necessary for our daily duties and the full enjoyment of life. Possession must be safeguarded, whatever the cost. Delay in securing glasses for weakening eyes is the costliest kind of folly. You are not only, experience suffering, and depriving yourself of your full eyes are without the assistance they need, their grading the faster.
Good vision is the most inexpensive thing you can possess. Proper lenses fitted by competent people of good vision insignificant. If you have a car if you have any reason to suspect that your eyes consult a reliable Ophthalmologist at once.
