SPATS—Utility is important in gift giving. Everyone wears shoes, yet there are many girls and women who do not fully appreciate how comfortable, stylish and warm spats are. Your gift will be novel and sure to be worn.

Comfy Slippers are always pleasing and acceptable. We have them for Father, Mother, Sister and Brother and also for the Baby—Warm and Toasty—Those catchy picture book designs certainly delight the children. There are so many instances when the warmth of felt slippers prevents colds.

HOSIERY—A very desirable gift, to match the Edict of Fashion. Here the opportunity for a delightful remembrance is unlimited—Even now women are making selections as gifts for intimate friends—Why not make yours from our stock.
