THOMPSON NOW ENJOYING LIFE

Seattle Man Eats, Sleeps, Works And Feels Better Than In Many Years.

It would be a skeptical person indeed who could any longer doubt the efficiency of Tanlac, after reading the many statements from people in Seattle and other parts of Washington, who have been wonderfully benefitted by taking this medicine. Typical of these statements is that of R. O. Thompson, 2717 Belvidere Ave., West Seattle, Wash. He says:

"For years my life was made miserable by stomach trouble and I didn't know where to turn for relief. I was almost desperate and I realized something must be done to relieve my condition, as I was losing weight and strength every day.

"If it hadn't been for Tanlac there is no telling what my fate would have been, but since taking this medicine I am like a new man in every way. I eat, sleep, work and feel better than I have in years."

Tanlac is sold in La Grande by Silverthorn's Family Drug Store and all leading druggists.—Adv.

MILLIONS FOR MOVIES.

(By Associated Press)

WASHINGTON, Dec. 20.—The American people spend more than \$250,000,000 to \$1,000,000,000 a year to see motion picture shows, the senate finance committee was told Tuesday in arguments for and against a high tariff on foreign-made pictures. The investment in the industry totals about \$250,000,000, and employment is given to about 250,000 persons.

Paul M. Turner of New York, speaking for the Actors' Equity Association, testified that the idea that everybody connected with the industry made "big money" was erroneous; that 96 per cent of those engaged in making films received only "a living wage."
