HERMAN KURTZTISCH, Milwaukee, Wis.

"When it comes to eating, working and sleeping I'm like a different man from what I was a short time ago," said Herman Kurtztisch, 406 1/2 Norris Place, Milwaukee, with the Northwestern Life Insurance Co., in relating his experience with Tanlac.

"My whole system was about to give way as a result of two years' constant suffering from stomach trouble and I was so run down and worn out I was hardly able to work. I actually dreaded to eat, as after every meal I suffered so terribly from heartburn, and I was so nervous I got little rest day or night.

"If it hadn't been for Tanlac I'm firmly convinced I would have had to resign my place. It came to my aid in the nick of time and I am strong for it. Tanlac is worth at least fifty times what it cost me."

Tanlac is sold by Silverthorn's Family Drug Store and all leading druggists.—Adv.

#### Insanity From Drink Greater In Germany

(By Associated Press) BERLIN, Jan. 6.—The number of cases of insanity attributed to the excessive use of alcohol has increased in Germany to such an extent that some writers view the situation with alarm and discuss the advisability of restricting the use of intoxicants.

All illnesses due to use of alcohol have increased 100 percent in the last year over the average for the war years, according to official statistics.

Some authorities, denying that the use of alcohol has greatly increased, attribute the present situation to the weakened stamina of the German people.

#### RESOLUTION ADOPTED

(By Associated Press) WASHINGTON, Jan. 6.—The far eastern committee adopted a resolution for the eventual withdrawal of foreign troops from China.

#### Constipation.

Constipation of the bowels is a stoppage of the sewerage system that removes waste matter from the body. It is as necessary that your bowels move regularly once each day, to carry off this waste, as it is that the waste pipes of our home be kept open and carry off the waste from the house. If you would enjoy good health, keep your bowels regular by taking Chamberlain's Tablets when needed.—adv.
