The Ladies' Society of the B. of L. F. & E. held a public installation of their newly elected officers for the year 1922 at the K. of P. hall Friday afternoon, January 6. The following officers were installed by Installing Officers Nell Swan: Past President, Ada Clifford; President, Ida Charton; vice-president, Gussie Weagle; secretary, Mabel Cook; treasurer, Louise Hilary; collector, Lena Head; delegate, Ida Charton; alternate delegate, Ida Clifford; inner guard, Alta Bickford; conductor, Bertha Bates; warden, Lillian Hedgren; board of trustees, Mabel Coleman, Gussie Weagle, Mary Hawes; magazine correspondent, Ernestine Stitzinger. Afterward a very delicious luncheon was served under the able management of Dora Caton.

A pleasant afternoon was spent at the home of Mrs. Fred Smith in Concordia Thursday afternoon, when Mrs. Roy Smith and Mrs. Fred Smith entertained the Women of Mooseheart Legion. The time was spent at needlework. At the close of the afternoon a delightful luncheon was served by the hostesses.

The Kaffee Klatch was entertained at the Country Club Friday evening. Mrs. August Stange acted as hostess and carried through her duties very capably. After the card playing, Mr. Robert Newlin won the gentlemen's prize and Mrs. Vincent Palmer won the ladies' prize, refreshments were served. The remainder of the evening was spent in dancing and a very enjoyable time was had by all present.

The local chapter of the P. E. O. met yesterday afternoon at the home of Mrs. J. W. Knowles. Mrs. Lucy Stanfield read a very interesting paper on "Appreciation of Modern Painting." The meeting also discussed plans for making aprons, the profit to be presented to the local Red Cross Thrift Shop.

The Methodist Episcopal choir, those that took part in the Christmas cantata, were entertained at the home of Mrs. Sherwood Williams last night. Members of the choir member's families were invited and a four-course supper was served at 6:30. The dining room was beautifully decorated and the supper was enjoyed immensely by everyone. At the close of the supper the party spent the remainder of the evening socially and then took their departure, feeling that a very delightful evening had been spent and hearty in their congratulations of the ability of their hostess.

Mrs. Luther Dunn and Mrs. James Dabbin gave a farewell party to Mrs. C. S. Dunn, who is leaving for Tacoma. A delightful social hour was observed and refreshments were served. Quite a number of guests were present and everyone reported a delightful time. The party was held at the home of Mrs. Luther Dunn.

The Parkdale Club will meet Wednesday afternoon, January 11th, at the home of Mrs. M. S. Carroll of Fruitdale. Mrs. E. Adler will assist Mrs. Carroll in entertaining the club.

Interesting talks on "Immigration" will feature the gathering of men's clubs next Tuesday evening when the Methodist Men's club entertains the Presbyterian Brotherhood and the Brotherhood of St. Andrew at the host's parlors. Music and refreshments will be other features of the meeting. Immigration being one of the foremost topics of the day, that subject was chosen for the evening's deliberations and while Prof. E. D. Towler will give the principal talk, others will lead in a round table discussion. It is expected that about 69 men will be present.

Evangelist Will Be At Baptist Church

Miss G. Bentley, state evangelist of the Baptist church, will preach this evening on "Pillows Under the Arms." The meetings under Rev. Bentley's direction began last night and a good crowd attended the initial meeting. Some enjoyable musical numbers were rendered by the choir and soloists. Domestic Science Class Lecture Held In Furniture House

The advanced class of the domestic science department of the high school spent two 2-hour periods this week in studying the design of furniture at first hand as a part of the work in interior decorating. Miss Marjori Barratt, in charge of the class, took them to the Bohne-kamp furniture sales rooms and with the assistance of one of the salesmen specializing in furniture the many different designs were explained to the class. The class was much interested and the members declared that the talk on furniture with pieces showing the designs explained, was much more interesting and instructive than if it had been given in the class room with no furniture to supplement the lecture.
