

It is not lowly priced corsets that we refuse to sell, but unladylike corsets that do not bear the hall-mark of quality.

We cater to those who desire and appreciate distinctive and correct dress, whether their incomes are large or small.

Our GOSSARD CORSETS

carry no extra charge because of their beauty and superior quality. It seems wise to say this because the distinction that comes of careful selection often gives the impression of expensiveness. Nor is there any extra charge for our exceptional fitting service that assumes full responsibility for your complete satisfaction.

Worth Considering.

The question is not so much how you contract a cold, but how to get rid of it with the least loss of time and inconvenience. If you will consider the experience of others under similar circumstances, who have been most successful in checking their colds, in their beginning, you will secure a bottle of Chamberlain's Cough Remedy without delay, and use it faithfully. There are many families who have used this preparation successfully for years and hold it in high esteem. It is excellent.—adv.
