**CHARLES RAY SPENDS NIGHT WITH SPOOKS**  
For a year the citizens of Bellport had shuddered every time they looked at the church which abutted out into Main Street, and when they were compelled to pass it they would do so in the middle of the street. Many stories were told of uncanny happenings in the edifice, and because of the general belief that it was haunted, services had been abandoned, and the structure would have been torn down had it been possible to find anyone with enough courage to essay the task.

**THE LIGHT IN THE CLEARING.**  
A faithful and interesting photograph has been made from Irving Bachelder's "The Light in the Clearing" by T. Hayes Hunter. The novelist, who is known for his truthful and penetrating studies of American life in the days when the world was not filled with electrical wonders and the inhabitants of the small towns of the United States were a close community, has drawn a fine moral lesson by contrasting the careers of two young fellows, one of whom chooses the straight path and the other the crooked way.
