GIRLS TEAM WILL PLAY PENDLETON

The La Grande high school girls' basketball sextette left La Grande this morning en route to the Round-Up city, where they will make a final desperate effort to defeat the Pendletonians. If they lose, then the championship fades away, but if they should win, then La Grande and Pendleton will be tied and a play-off would be the method of deciding the Eastern Oregon girls' championship for this year.

Miss Genevieve Jones is hopeful of winning and states that "win or lose, the girls will give them the game of their lives."

Those making the trip were: Norma Mayner, Marjorie O'Brien, Thelma Choute, Audrey Hare, Winona and Lois Lyman, Marie Bowman, Margaret Palmer and Lula Mulkey. The same line-up will be used as formerly.

The game will be played preliminarily to the game between the Pendleton and La Grande high school teams and a large number of students went along to cheer the teams on from the side lines. Some of those who went were: Everett Bennett, Leo Hawes, Dallas Jacobson, Bus O'Connell, Clarence Woodell, Grant Geddes, Ted Larson and Bud Theison.

Baseball Team Has It's Election of Officers for Year

The La Grande baseball club held a meeting at the Y. M. C. A. Monday evening for the purpose of electing officers for the present year and arranging the club in preparation for the summer schedule.

Plans were completed for the coming season and the following members were elected to office: W. E. Crews, president; H. W. Melnich, playing manager; Charles Reynolds, secretary; O. Johnson, treasurer.

The final arrangements will be made after the regular league meeting, which will be held about the first of March. At that time a schedule will be decided on and a new method of financing the club will be put before the public.

"La Grande is going to have a real, honest to goodness, peppy, winning baseball club this year," announces the club in general.

LOCAL TEAM LOSES AGAIN

The Round-Up city boys cleaned up on the La Grander last night, 25 to 22, in one of the hardest fought games of the interscholastic season.

The Pendletonians started off with a rush and scored four field baskets before the blue and white could get started and the first half ended 25 to 8 in favor of the home team.

In the last half La Grande took a brace and marked up 15 points to Pendleton's 14 but their rally fell short of winning the game. Coach Lohel expects a much better game tonight and hopes to win.

Holmgren and Lawrence were the individual stars for Pendleton while Metcalf and Lynch did the best work for La Grande.

The lineups were: Pendleton, Nelson and Holmgren, forwards; Lawrence, captain and center; Cahill and F. Kramer, guards; La Grande, Lynch, captain, and Coker, forwards; Metcalf, center; Garrity and Bean, guards.

Substitutions: Pendleton, Saunders for Holmgren; La Grande, Smith for Garrity. The contest was refereed by Benton, of Helix.

Says Lack of Job Caused Him to Turn To Making Booze

Sherry Waenck and Deputy John Striker raided the home occupied by Al Coby and his family last night and discovered him contriving

still, 50 gallons of mash and 19 gallons of beer.

Mr. Coby was arrested and tried this morning before the justice court. He pleaded guilty and was fined \$250. Mr. Coby has a wife and three children and claims that scarcity of work enticed him to enter the liquor game.

Two other cases were brought up before the justice court today and both were moved for dismissal by the district attorney. A man named Monty Daniels was suspected of manufacturing liquor but the only evidence was some mash discovered in a haystack about a half mile from the house. Frank Hoffman, living at the old Kaylor nursery, was suspected of being in the game too. Indications were found that pointed to the fact that the place had been used as a distributing station but the evidence was not sufficient to warrant a trial.

Escalloped potatoes, veal loaf, escalloped cabbage, celery, pickles, cake and ice cream and other "fixings" is the menu at the Ad Club luncheon next Tuesday. Boy Scouts are going to be the kings of entertainers that

day, and the luncheon will be served at the Y. M. C. A. gym, rather than at the usual place. Mothers of Boy Scouts are making the goodies, and the mothers will supervise the serving.

In addition to the special feed that the scouts have provided for in their program of entertainment for the hour, there will be an interesting and

instructive 20-minute demonstration. Details of the program will be published Monday.
