Withycombe Goes Through—
 Robert Withycombe, in charge of the experiment station at Union, went through La Grande this morning on No. 17 en route to Prosser, Washington, where he will attend an important meeting of sheepmen and stockmen.

Over from Union—
 E. H. Miles, of Union, arrived in La Grande this morning to attend to some business matters. He is proprietor of a farm situated about six miles from Union on Catherine creek.

Session Was Good—
 Mr. and Mrs. C. E. Short and son Harold attended the presentation of Messiah at Baker yesterday, wherein nearly a hundred local singers of that city took part. They pronounce it a very good performance.

To Visit With Daughter—
 Mrs. D. P. Charlton left La Grande this morning for Portland, where she will visit for about a week with her daughter, Miss Iris King, who is making her home in the Rose City at present.

To Inspect Club Work—
 Mrs. A. E. Ivanhoe, county school superintendent, and Miss Helen Cowdill, of the O. A. C. extension division, left this morning on No. 24 for North Powder, where they will look over the boys and girls industrial club work this afternoon. They were driven to Island City by Miss Wythe Wade this morning and after spending a short time there they returned to catch the train. Mrs. Ivanhoe will return to La Grande this evening and Miss Cowdill will continue her work in Cove and Union schools tomorrow.

Visiting in Portland—
 Mr. and Mrs. Chase Bohnekamp are in Portland to spend a few days. A convention of Oldsmobile dealers is to be held in that city on Tuesday. Mr. Hardy, president of the Olds Motor Works and Mr. Peasey, general sales manager, are to be present. Also several new models of Oldsmobiles are to be introduced to the dealers at the convention, including a new four passenger sport car in the popular Olds Bear Cat model and also a new light demi sedan type car. This latter car is much lighter than the regular sedan and also roomier. It will sell at little more than the price of the open car. Incidentally Chase expects to play a little golf while in Portland and will also select a stock of golf clubs and supplies for the W. H. Bohnekamp Co. A special feature will be a line of repairs to take care of the broken clubs for the local players this summer.

PORTLAND, Mar. 6.—Wheat was \$1.28 to \$1.30.

BOXING CARD FOR TUESDAY

Boxing fans are all grimed for what is expected to be one of the fastest boxing cards ever staged in La Grande. Tomorrow night Bordeaux and Woods will meet in the first section of a double-header and the second attraction will find Burns, a fast light weight of Los Angeles facing Kid Sarp. The winner of the second bout will be given a match with Bud Stevens of Pendleton and Sarp is confident he will be the man to fight Stevens.

Woods arrived in town this morning, appearing in the pink of condition and confident that he will win from Bordeaux. The latter has been training diligently for the encounter and expects to win.

Either of the two main events would make up a good card if they were scheduled separately and with both of them on the evening's program, the local fight followers will be treated to a night of nights, as far as the squared ring is concerned.

The fight will be held at the Rex hall tomorrow evening with Mr. Runyan the third man in the ring.

NEW ZEALAND FAVORS BRITON

(By Associated Press)

WELLINGTON, N. Z., March 6.—The New Zealand government has just shown its preference for British machinery by rejecting an American bid for a hydro-electric machinery contract and awarding it to a British firm, although the Americans offered the qualifying for 11,000 pounds less than their British competitors.

Premier Massey was questioned about the contract in the House of Representatives and said in reply that the government's loss would be reduced by the preference tariff in favor of British goods to 7,000 pounds. He added that the cabinet had decided to take British machinery, manufactured by British workmen.

This is the first of a series of contracts to be awarded for the installation of extensive hydro-electric works in New Zealand.

Louis Bean Announces His Platform

(Continued from Page One.)

scrutinized department of educational budgets, preceding allocations of definite sums of money to be followed by strict supervision of expenditures. The maintenance of adequate facilities to educate young men and young women of Oregon is one of vital importance, but the expense of these educational facilities should not constitute nearly one-half of the expense of government. Business principle should govern educational outlays as in other branches of state administration.

I favor more efficient laws governing the selection of textbooks used in public schools, to better standardize and reduce to a minimum changes which increase the cost of education to those least able to afford any unnecessary expense.

LOUIS E. BEAN

I am opposed to the ownership of land by Orientals or those not eligible to citizenship under federal laws, and by aliens, the country whose birth does not grant similar rights to citizens of the United States.

I favor the encouragement of irrigation and drainage projects for the benefit of settlers, particularly in districts now partially settled or capable of settlement.

I favor the enactment of laws, whereby the sinking fund of all bonds issued against natural resources shall receive their proper proportion of reimbursements. If those resources are liquidated prior to maturity of said bonds.

I am opposed to any increase in the general state debt, until an adequate business survey shall be made to determine our true financial condition, in order to avoid mortgaging ourselves and posterity beyond our resources.

I am in favor of strict enforcement of all laws so long as they remain on the statute books of this state.

I promise that, if by the sovereign will of the electorate, I should become governor, it will be my dearest ambition to prove myself worthy of the high honor, and to work unceasingly for the upbuilding of the state and for the happiness and prosperity of its people.

SEXES EQUAL IN NUMBERS

(By Associated Press)

MANILA, P. I., Mar. 6.—The native male and female population of the Philippine Islands is almost equal in numbers, there being only 134 more native women than men, according to a bulletin issued by the census bureau and just made public. The men number 4,745,485 and the women 4,745,351.

LA GRANDE IS LOSER TWICE

Stoddard Brothers Defeated by Baker Team and Haines High School Wins from Local School.

In the doubleheader played at the high school gym Saturday night, La Grande came out on the short end of both scores. The Water Front Five defeated the Stoddard Brothers, 29 to 23, and the Haines high school basketball team won from the blue and white 37 to 27.

The old dope bucket got an awful wallop in the first game. Everything pointed to an easy victory by the local hoopers but the Haines quintette jumped into the lead from the first and were never headed. The score at the end of the first half was 22 to 10.

The second half was a slightly different game. Lynch went in for Hough and Coker replaced Smith and from then on La Grande played the Haines hoopers off their feet the points made in that half being La Grande 17 to Haines 14 but the rally fell short.

McCullough was Haines' high point man with a total score of 17, while Metcalf and Garrity tied for honors on the locals, each marking up 8 points.

The lineups were: La Grande, Smith and Hough, forwards; Metcalf, center; Bean and Garrity, guards; Haines: Coker and F. Wells, forwards; McCullough, center; Coon and Cook, guards. Substitutions, La Grande, Lynch for Hough and Coker for Smith.

In the final game of the evening the Bakerites proved to be a little too much for the Stoddards despite the fact that their star center, Red Blakely, failed to make the trip. Bud Theison of La Grande played center in his place. The Stoddards took an early lead but were soon passed and the first half ended 16 to 5.

In the second half the Stoddards whipped up and outplayed the victors, the final score ending 29 to 21, in favor of the Water Front Five. The second half score was 16 to 13 in favor of the Stoddards but the lead slipped to overcome.

The lineups were: Stoddards, Earl and David Stoddard, forwards; Walter Bean, center; Lester and John Stoddard, guards. Water Front Five: Theison and Parley Stoddard, forwards; Roy Stoddard, center; Bates and Rapp, guards.

Charles Reynolds refereed both contests.
