AT SHERRY'S LAST DAY.

Ivan Linow, cast in the role of Captain Peterson, otherwise known as "Hands and Feet," in the Thomas Meighan Paramount picture, "Cappy Ricks," weighs 250 pounds and is of profession a wrestler. The first day he arrived at the eastern studios where many of the scenes of the picture were made, Mr. Meighan was told that one scene called for a rough and tumble fight between himself and Linow. Mr. Meighan did not appear at the studio the next day, but the following day he showed up smiling. Asked where he had been, the star replied that he had been visiting Jack Dempsey's training camp near Atlantic City. "If I have to fight a bird like that," said Meighan, indicating Linow, "I want professional advice. What's more, I got it and intend to use it." From then on, until the time of the fight scenes Meighan punched a bag and pulled weights in his hotel. "Cappy Ricks" throbs with action and several warm fistfights. Agnes Ayres is leading woman and heads a strong cast including Charles Abbe, Hugh Cameron, John Sappello, Paul Everton, Eugene Woodward and others. Also showing a comedy.

and in her hands it is said to be one of the finest bits of character acting displayed in the picture. The story, written especially for Paramount by E. Phillips Oppenheim, the famous British novelist, is romantic, dramatic and appealing. The hero is a young Englishman who travels the mystery road of life heedlessly without giving a thought to whether it leads. The love element is strong and gripping. The supporting cast including among others Nadia Ostrovska, P. Woodman, Mary Glynn, Ruby Miller and Percy Standish, is one of the strongest seen in any British-made Paramount picture. Walker and West in after the show, the situations are said to be original and amusing and the dialogue unusually bright, introducing many singing and dance numbers, showing some pretty costumes. Geo La-Shay, a musical treat on the marionettes, starts the show to good effect as he is a musical wizard. As usual a feature picture will be added to this stellar bill.

THE PNEUMONIA MONTH. March is a typical pneumonia month and usually gives a high rate of mortality for the disease. After a long and hard winter the system loses much of its resistance and people grow careless. When every cold, no matter how slight, is given prompt and intelligent attention there is much less danger of pneumonia. It should be

Life's Sweetest Moments

Music tells its own story to hearts which understand. Think what wonderful hours The Brunswick could give you reproducing the world's best loved music. There should be a phonograph in every home, but music lovers are only satisfied with The Brunswick.

No Mechanical Suggestion. The Brunswick plays all records without a hint of mechanical suggestion, no vibration, every tone sweet and true. The Brunswick Ultona and the Brunswick Tone Amplifier work a miracle in tone production. They are an exclusive, patented Brunswick feature.

Beautiful Cabinets. Brunswick cases are worthy of the instrument. Prices vary to suit every pocketbook. Convenient Payments. We deliver Brunswicks and records immediately, and arrange convenient monthly payments. We make it easy to own a Brunswick.

There is a Difference in Records. Hear Brunswick Records, they possess a character and musical arrangement with a new appeal. Note the wonderful difference. Brunswick interpretation gives to popular "hits" and the beautiful rendition of classics, both vocal and instrumental.
