BRIDGE SPIKE FAILS TO WORK
 Some time Saturday evening two persons entered the J. D. Lynch & Co. office on Jefferson avenue and attempted to jimmy the safe. From all indications neither of the two would be burglars were experts in that line as a bridge spike was used and the combination knob was smashed so badly that Mr. Lynch is unable to open the safe until expert assistance arrives.

The two men entered the office through the back door and from the quantity of burnt matches on the floor it appeared that one lit matches while the other attempted to open the safe. Nothing aside from the safe was molested in the least. No clues of any description were found and the robbers made a clean get-away when they found they could not open the safe.

FIRST MATE OF LURLING GIVES OUT THE FACTS

Had Feels As Strong and Active As a Boy and Hasn't a Trace of Rheumatism or Stomach Trouble Left. Declares Meyers.

"I would be an unreasonable man not to be satisfied with all that Tanlac has done for me," said Fred Meyers, popular first mate of the Steam entailing, Alder St. Dock, Portland, Ore.
 "For four or five years my stomach was all out of order and I suffered terribly from rheumatism. No body but myself will ever know the misery I went through in that time. I couldn't eat without suffering the greatest distress, my back hurt me so that it was agony for me to bend over and straighten up again and I was so nervous and restless I couldn't get the sleep I needed.

"I have a splendid appetite now and my stomach feels just like a new one. I am as strong and active as a boy again and it is only right that I should give the credit to Tanlac, for it certainly did the work for me."
 Tanlac is sold in La Grande by Silverhorn's Family Drug store and all leading druggists. Adv.

EASTABROOK IS GIVEN SENTENCE

Man Convicted On White Slave Charge Severely Admonished by Judge For Flaunting His Immorality.

(By Associated Press)
 BOISE, Mar. 13.—With blanched face, but not a change of attitude, H. C. Eastabrook, former automobile dealer of Boise and Nampa, received from Judge F. S. Dietrich in the federal court Saturday morning, a sentence of two years' servitude at McNeill island to run concurrently. Eastabrook was convicted Thursday on two indictments and a joint indictment with Mrs. Winifred Mullins of a violation of the Mann act, in taking Mrs. Mullins from Nampa to Calgary, Canada, for immoral purposes.

It was, apparently, the remarks of the judge in making the sentence, rather than the sentence itself, that so affected Eastabrook. In pronouncing the sentence the judge said that if it had not been for the outrageous manner in which the defendant had flaunted his sin in the eyes of society, he would have been more lenient with him.

Sentence Withheld.
 Sentence of Mrs. Mullins was withheld until April 10 to give her counsel time to decide whether they will appeal on a writ of error. Upon hearing the sentence of Eastabrook Mr. Mullins broke down and sobbed.

Eastabrook left Saturday noon in company with three other prisoners, John Bell and Fon Sieng, found guilty of the illegal sale of narcotics, and G. A. Horal, former cashier of the Stockmen's National bank of Nampa. The prisoners were in charge of United States Marshal F. M. Brecheers, Sheriff James Agnew of Ada county and M. Sebern, guard.

BAKER SCOUTS ARE WINNERS

The La Grande Boy Scout basketball team returned from Baker Saturday evening well satisfied with themselves although they likewise returned with another defeat on their shoulders. The Baker scouts won from the 25 to 18, but after La Grande having lost to them here 45 to 6, this seemed almost like a victory to the locals.

The game was fast and thrilling throughout and the score midway was 8 to 8, the locals using a different style of play than formerly. In the last half the Bakerites gradually drew away from them scoring 17 points to their 10.

Bowers was high point man for Baker, with 10 points and O'Brien played the best game on the floor. Fitzgerald and Leo McCorkel scored 7 and 5 points respectively, and the other three members of the team each make one basket. The entire La Grande team played a stellar game throughout with Robinson the outstanding player. The locals used a defensive style of play.
