SARP WILL BOX BUDDY STEVENS

Fight fans are looking forward to a fast entertainment Thursday evening at the Star theatre when Kid Sarp of La Grande will box Buddy Stevens of Pendleton in a ten-round bout. These two men have been cycling each other for some time and friends of each think victory can perch on the banner of their choice. Stevens has shown remarkable ability here in an event some time ago and Sarp delivered the knock-out blow to a chap in the fourth round at a La Grande boxing bout. This puts each man in line with a bunch of admirers and the event is expected to be one of the best ever held in the city.

Preliminaries will be held by local talent and the card is filled with sporting activity for the evening. All ring-side seats have been reserved and Commissioner Allingham of the municipal boxing commission predicts the largest house of the season.

POW WOW ON OVER MAN TO HEAD TICKET

(Continued from Page One.)

eratic friend, W. M. Strayer, at Baker, and asked if the latter intended being a candidate. Mr. Strayer waived the temptation and suggested that Mr. Pierce be the goat. Monday, however, George Huntington Currey of Baker arrived in Portland with the reported intention of seeing if Mr. Pierce would not withdraw so that Senator Strayer could run.

Negotiations are still pending. Mr. Pierce has not filed his declaration and is, consequently, free to eliminate himself if Mr. Miller or Senator Strayer really want the nomination. On the outside, however, it looks as if Mr. Pierce would stick.

Rights of Wives Are Those of the Husband

WASHINGTON, D. C., Apr. 5.—Widows of honorably discharged soldiers, sailors and marines, who served in the World war, and wives of injured soldiers, sailors and marines of that war, who themselves are not physically qualified to hold positions in the civil service, but whose wives are qualified, will be

given the same preference in examinations for postmasterships at first, second and third class postoffices that is given to the men themselves, under the Civil Service commission's interpretation of the executive order of October 14, 1921, it is said in a statement issued by the commission today.

In other words, the commission states, under its interpretation it will apply the executive order to the same World war veterans, their widows and wives, that is provided for positions in the classified civil service by the veteran preference act of July 31, 1921.

Postmasters at offices of the first, second and third classes are not classified under the civil service law although filled through competitive examination under executive order, and such military preference as is allowed in examinations for such offices is also provided by executive order.

BARBERS CUT THEIR PRICES

NAMPA, Apr. 4. — "Shave 15 cents; haircut, 35 cents; bath, 25 cents."

Prices are back to pre-war levels at one Nampa hair cutting establishment.

Incidentally the slash had led to a merry barbers' war.

"I'd rather keep my men busy shaving at 15 cents a head than have them decorating the chairs with the auto two-bits per," said the employer who initiated this new schedule.

When the cut was made officials of the barbers' union waited on the brush proprietor and removal his union certificate. The withdrawal from the union. That's that.

Woman's Feet.
 According to one authority, a woman's feet should be to her height in the proportion of 14 to 100—that is, as nearly as possible, one-seventh of the height.
