The Screen

AGNES AYRES, STAR, IS FEATURED IN "THE SHEIK"

Agnes Ayres, talented and beautiful, who won stardom by her artistic work in Cecil B. De Mille's Paramount production of "Forbidden Fruit," is featured with the brilliant young screen player, Rudolph Valentino, in George Melford's big Paramount production of "The Sheik," which starts today at the Arcade Theatre.

Miss Ayres has the effective role of Diana Mayo, a headstrong but brave and spirited English girl who encounters the Sheik in the desert and learns finally to love him after a somewhat harrowing experience and complete subjugation to his indomitable will. He is a veritable master of men—and women. None can stand against his power which in his empire of sand is almost invincible.

Wild riding and fighting, gripping scenes in desert sandstorms, action piled on action—such are the ingredients of this photoplay by Monte M. Katterjohn, adapted from E. M. Hull's novel. And Miss Ayres has a role that is difficult, filled with hard work and tense acting, to which she does, it is said, more than full justice.

SHERRY'S TODAY AND FRIDAY "THE FOOLISH AGE"

It is a sparkling little comedy which Doris May has for her first starring venture. "The Foolish Age," written by Hunt Stromberg, may be catalogued as a delightful study of that impulsive period of girlhood when it is difficult to reason things from a safe and sane attitude. The very fact that it bears a resemblance to life makes this satire ring much more genuine than its character on the surface would indicate. The star is seen in the early scenes in the role of a charming undergraduate who, when the great moment arrives to leave the environment of her college, decides to practice what the learned doctor who delivered the baccalaureate sermon preached. His advice is to uplift the downtrodden. So she straightway takes up settlement work.

Being a little daughter of the rich, the idle life does not appeal to her. She has bigger things to do than dabble about in finery and attend social functions. So she opens up an office to take care of the derelicts of humanity. It is a humorous scene which shows a motley throng of "down-and-outers" assembling at the office to apply for the position of secretary. And she takes the roughest looking one of the lot. Here is the occasion for Bull Montana to be introduced, and again this colorful type nearly walks away with the honors. The picture develops a deal of funny incident which, while of a fluffy character, nevertheless sparkles with plenty of pep and spontaneity. The heroine is quite determined to show her friends and relatives that she is able to take care of herself. They may say that she is passing through the foolish age, but their toleration of her pet theory indicates their belief in her sincerity.

There is no lapse in the sparkling action. Indeed the by-play indulged in by the impulsive heroine and the erstwhile gangster whom she rescued from the slums is sufficiently amusing to score most anywhere. Particularly funny is the scene which shows the girl giving a bo party at the theatre with her crude friends violating all the standards of good etiquette. Montana is attired faultlessly, yet he imagines himself at a circus, because he is shelling peanuts and dropping the shucks on the audience below. And the reception scene is sure gloom-chaser. There is a note of conflict which introduces the heroine's fiancé attempting to embarrass the rough secretary. This dramatic touch is well developed and offers some effective incident. The heroine comes to her senses when she discovers her

Klan Anarchistic, Says Federal Judge In State of Texas

(By Associated Press)
WEATHERFORD, Tex., Apr. 6.—Expressing opposition to everything that the Ku Klux Klan stands for "as far as I know," Federal Judge James C. Wilson, in discussing it at the chamber of commerce Monday night, declared that Senator Culberson "did not miss it far" when he said "if permitted to continue, the Klan would soon overthrow the government." The federal judge stated that it was nothing more than a form of anarchism which operated by first getting as members the sheriffs, then the police, trial judges and preachers.
