COUNTERFEITER UNDER A BAN

(By Associated Press)
BERLIN, Apr. 7.—A band of international counterfeiters with branch offices in almost every European country, America and Australia, has established headquarters in Berlin, say police and Reichsbank investigators. Monies of half a dozen countries are being manufactured here. A score of arrests have been made but authorities say the band is still functioning.

In addition there have been many arrests of counterfeiters operating alone, making either German or American money, American dollar and \$10 notes are favorite productions of the counterfeiters. German 50, 100 and 1,000-mark notes also are widely counterfeited.

Confederates of the counterfeiters usually dispose of the German money counterfeited here in a foreign country—France, Holland, Belgium, Sweden or Norway. The foreign money made in Germany is marketed here.

One of the counterfeiters arrested was the proprietor of a large hotel in Amsterdam who posed as a pleasure-seeker and lived elegantly in the best hotels.

A German counterfeiter of 100-mark notes was employed as mechanic in a big artificial ice-skating rink here. He established his workshop in the attic of the "ice palace," and surrounded it with electric wires so arranged that unexpected entrance would cause an explosion in the "mint" and destroy the "evidence."

The proprietor of the rink watched him and informed the police who cut the wires, entered and found the mechanic busily printing money.

Hotel Men Say They Won't Increase Rates

PORTLAND, Apr. 7.—The Mike Festival commission, having in charge arrangements for the Golden Jubilee and Prosperity Week festivities May 15 to 21, has received assurances that during that week, Portland hotel and restaurant proprietors will make no increase in their rates. It will cost no more to live in Portland that week than at any other time.

These business men have entered into the spirit of the celebration and declare they will do their utmost to help bring back prosperity. They have heartily endorsed the Mike plans and no one of them will take advantage of the rush into the city to increase their rates, they

HYPNOTIC MARRIAGE FAILS

(By Associated Press)
MANILA, P. I., Apr. 7.—The court of first instance has annulled a marriage contract which was entered into while the girl was under the spell of hypnotism. Domingo Olivares, the victim, was hypnotized by Blas Angeles at her home.

She was taken to the residence of a minister and made to sign a marriage contract, all being done while she was under the spell.

The court says that "although the signature of Dominga Olivares appears in the marriage contract, it cannot be sustained that there has been any solemnization of the marriage as long as there was not any real affection for the defendant, Blas Angeles, whom she had known only for three days while he was giving an exhibition of sleight-of-hand tricks at her home."
