WEATHER STILL WINTER-LIKE

(Special to The Observer) LADD CANYON, Apr. 20.—The good weather after Easter has failed to put in its appearance so far. The late morning is laid for everything but we surely must have some warm weather soon to help out.

be presented to the public at the home of Mr. and Mrs. John Wells, Macabee Hall Friday evening, April 20. Several special acts will also be included in the program.

Everett Clark is helping R. L. Sullivan with his work and will go with him out to the Pendleton country to bring in a band of pasture horses as his pastures several hundred head through the summer months.

Mr. Hibbittie started to the Lumber Jim country last Friday morning about 10 o'clock. They walked all day and the snow kept getting deeper until it was up to their waists and so soft they broke through at every step.

Green Steals Light. Greens are the greatest thieves of light. A dark green will absorb 85 per cent of the light, a dark brown perhaps 70 per cent, the light blue 25 per cent, while the soft, delicate tints will absorb only about 20 per cent.

Chiropractor calls and offers to demonstrate his curative powers on the mayor, who however, is in good health. Thank you.
