ELINOR GLYN INTERPRETS MEANING.

Why the title "Beyond the Rock" was the question asked Madam Elinor Glyn, its author, at the Paramount West Coast studio, while the book was being transferred to the screen with Gloria Swanson as star. "It is derived from the following passage in the book," explained Madam Glyn, who quoted it almost word for word as follows: "He was a fatalist. He told her (Theodora, played by Miss Swanson) what would be, would be and mortals like himself and herself were just scattered leaves, like barques floating down a current where were mostly rocks ahead."

This new Paramount picture will be shown at the Arcade theatre Thursday, Friday and Saturday. A strong supporting cast has been provided.

SUMMONS

In the Circuit Court of the State of Oregon for the County of Union. James D. Dobbin, Plaintiff, vs. S. P. Holman and ——— Holman, his wife, if living, if not living, then their unknown heirs; and, also, all other persons or parties unknown claiming any right, title, estate, lien or interest in the real property described in the complaint herein. Defendants.

To S. P. Holman and ——— Holman, his wife, if living, if not living, then to your unknown heirs; and, also to all other persons or parties unknown claiming any right, title, estate, lien or interest in the real estate described in the complaint herein. Defendants:

IN THE NAME OF THE STATE OF OREGON, You and each of you are required to appear and answer the complaint filed against you in the above entitled court and suit on or before six weeks from the date of the first publication of this summons, to-wit: on or before the 31st day of May, 1922, and if you fail so to appear and answer or otherwise plead to said complaint, the plaintiff will apply to the Court for the decree as prayed for in said complaint.

The decree prayed for in the said complaint is that the defendants and each of them set forth the nature of their respective claims or interest in or to the north half of southwest quarter of section 37 in Township 2 South, Range 38 E. W. M., in Union County, Oregon, and that all such adverse claims be determined by the above entitled court; that each such claim of interest be declared not founded in law or equity; and that the right, title and interest of the plaintiff be decreed to be a valid right and title, and that he holds, possesses and owns said described real property in fee simple.

Is Your Car Short of Breath?

WHY MOTORS NEED NEW PISTONS

Piston wear occurs in every motor. And, with the wearing of pistons, the piston pins and rings also wear. No wear in motor, or car, makes itself so thoroughly evident as does the wear in these important parts. This is why replacement of pistons, piston pins and rings has become so universal—why so many good shops, and so many good mechanics, now make a specialty of regrinding cylinders and the replacement of pistons, piston pins and rings.

Despite the best lubrication possible, each of your pistons, as it travels up and down, wears against the cylinder walls. Have you ever thought how fast, and how far, these pistons travel in going back and forth, back and forth, up and down, millions of times through the cylinders? One "mathematical sharp" figure that in 10,000 miles of automobile travel a single piston in the average six-cylinder motor makes over 50,000,000 strokes up and down the cylinder walls. Therefore it is easy to understand why pistons, piston pins and piston ring wear—even with the best of lubrication.
