## To Our Customers;

After June 1st, we request that all our customers please have their sales slips, as we do not again handle. We have been for the past three years using a Burroughs Bookkeeping Machine on our Wholesale and General Ledger accounts and have decided to handle all our retail accounts in the same manner. This machine is similar to that used in the banks. We believe this machine will expedite our accounting, and make it possible for us to give you the best service in your accounts with absolute accuracy.

However, should you have any existing slips we will gladly furnish you duplicates, as we retain all original sales slips in our files.

Very truly yours,
