It does not mean stinting or skimping along, or even doing without little luxuries, but it does mean a wise expenditure of one's income. For our part we are continually watching the market for opportunities to make advantageous purchases—to present values which assure every dollar spent in this store doing its duty.

PIPE LINE IS ALL RELAID

(Special to The Observer)
UNION, May 16.—The pipe line along Main street is all laid and the ditches are filled in so traffic can be carried on except where the contractors are preparing for the paving. Some laterals are being laid with smaller pipe. This work is costing quite a bit more than was expected as much of the line in South Union, which was supposed to be in good condition, was found on examination to be so much worn that it was thought advisable to replace it with new while the other work was being done.

As the local schools near their close the time is almost entirely taken up with examinations, picnics, and graduation exercises. Rev. L. A. Cook was selected to deliver the sermon to the graduating class at the Methodist church on Sunday evening. On Tuesday evening occurs the Junior-Senior banquet at the Union Hotel. Wednesday the graduating class will put on their regular class program at the high school assembly. This will consist of the usual exercises by the valedictorian, salutatorian, historian and prophet, and a short play by members of the class, "Every youth." Professor E. W. Warrington will be here from O. A. C. to deliver the commencement address on Thursday evening at the Methodist church, when diplomas will be handed out by a member of the school board. The high school picnic will be held either Thursday or Friday.

A little damage was done by the frost last Monday night, mostly to the apricots and cherries.

The local post of the American Legion sponsored the film, "I Accuse," which was shown here last Monday and Tuesday evenings. Mrs. Agnes Paddock aided the two evening's entertainment by the rendition of several readings in her usual interesting style.

Mrs. David Jenkins was called to Boise last Wednesday on account of the sudden death of her sister and nephew at that place. The sister had died as a result of an operation and the nephew, who was very low with scarlet fever, passed away very shortly after receiving the news of his mother's death.

Members of the Eastern Star lodge who were present last Wednesday evening enjoyed a double treat. First there was degree work, when seven candidates were initiated into the order. Mrs. Beech, Mr. and Mrs. McClay, Grace Cook, Margaret Busick, all local people, and Mr. and Mrs. Charles Johnson from North Powder. After the floor work a delicious lunch was served.

At the high school last Friday night the Junior class put on what was known as a "Travel On" performance. After the program a carnival was staged in the basement, where various booths had been erected.

Seven of the high school track boys made the trip to Pendleton to participate in the Eastern Oregon Track Meet last Saturday. Coach Billings and several teachers accompanied the boys. Roscoe and Paul Cook, Vernon Johnson, Everett Kuhn, Reed Dallas, Eugene Bates and one or two others were in the local team.

Friday afternoon was exhibit day at the South School and many of the parents were out to see the display of art, maps and other interesting work made by the grade pupils. The occasion enabled the children to enjoy a half holiday.

Mr. and Mrs. Fred Fox, who were called to Bend, Oregon, very suddenly about a week ago, returned to Union the latter part of the week.

What was probably the last inside social event to be staged by the Girl's Athletic Club, for the season, occurred last Tuesday evening at the Union Hotel, when the members assembled for a dinner at 6:30. After the dinner a dance was enjoyed by the members and a number of invited gentlemen, the latter being deemed necessary to a successful dance. Several guests came over from La Grande and a pleasant evening was enjoyed by all present. The club will no doubt plan for its future meets to be held outdoors since warm weather seems to have arrived at last.

Two pioneers were laid to rest in the Union cemetery last week, both being between 75 and 80 years old. George Henry Bessy, who was born in New York state and came to Oregon about 20 years ago. He was a Civil War veteran and the local American Legion post had charge of the funeral. John Anderson, Herr's Ford, who has been in Missouri, came to Oregon in the early days and freighted between Unadilla and Bose. Both men were honored citizens of Union and leave a host of friends, besides their relatives, to mourn their departure.

School in District No. 2, which is in the city of Union, will close their year's work on Friday, May 19, primary day.

Work on the buildings for the new lumber and supply yard to be installed soon by the Grande Range Lumber company is going forward rapidly and the local manager, John Martin, will soon be able to open for business.

Miss Zepha Beach, who taught in the Joseph schools during the year just passed, has finished her work and returned to Union to spend the summer with her parents.

The Swain and Walter Cook attended the Slinger meeting in Baker last week.

Some of the boys returning from the track meet report that Union showed up well in the events. Cook winning first place in the 220 yard dash and the 100 yard dash and second in the broad jump. Johnson won second in the mile and also in the

half mile and Paul Cook took fourth in the pole vault. Kuhn was third man in the high hurdle. This gave Union over 20 points and placed Cook almost at the top for individual points, which is a creditable record considering that only seven contestants were entered and they were pitted against larger teams from La Grande and Pendleton, besides entries from other smaller towns.

REPUBLICANS!

Shall Oregon continue to hold the pre-eminence that is now hers?

Shall she forge ahead as a leader in the Republican party?

Answer "Yes!"---Vote X 13 for Ralph E. Williams for Republican National Committeeman

In the presidential election of 1916 when there was dissension and division everywhere Oregon was the only state west of the Missouri river to go Republican. Harmony!

Progressives and Republicans united in giving credit for this remarkable achievement to Ralph E. Williams, national committeeman since 1908.

In recognition of this and other services Ralph Williams was elected vice-chairman, the second highest honor within the power of the Republican National Committee to bestow. It is a position of influence to be reached only by years of faithful and intelligent service.

Ralph Williams is the first committeeman representative from any western state to be elected to the vice-chairmanship.

Ralph Williams is a veteran of the national organization. He stands at the head with the leaders. A new man would, of custom, and necessity stand at the foot with the followers.

Republican leaders, in Congress and out, are Ralph Williams' friends. This friendship means much to Oregon and the Northwest. Without ostentation Ralph Williams enlists the aid of these leaders for the things the Northwest needs from the national government.

Keep Oregon to the front--Don't let her slump
