Checks are the Thing and Yellow a Favorite Color Every year it's something new—last summer the vogue was for red pin checks; it's checks again this season but in more clever designs; check within check patterns, small plaids that give a checkered effect and square motifs set closely on a contrasting ground. Colorings are also more delicate. They are almost rainbow lines with yellow and lavenders most liked of all. The Tissue Gingham is quite dressy—Voiles and Swisses are superb.

### Society

A fitting closing to the Neighborhood Club's musical programs took place yesterday with Mrs. Hal Bohnenkamp as leader. Mrs. Bohnenkamp read a well prepared paper on Oregon composers. Miss Hilda Anthony played two compositions with fine interpretive ability. Her numbers were: "Wedding Procession," by Dr. Emil Enns, and "Valse," by Lucien Becker. Three much enjoyed numbers were given by Mrs. Harley Richardson, "Arabesque," by Marion Bauer; and "Gossamer" and "Pierrot Dance," by Dent Motop. Mrs. A. L. Richardson, accompanied by Mrs. W. W. Berry, very graciously sang two pleasing groups of songs, "Day is Done," and "Love's Freedom," by Mrs. Frankie Walker, and "Absence," "I Knew a Maiden Fair to See," and "Dawn," by Katherine L. Johnson.

Oregon can well be proud of her composers and proud that she has artists who can interpret so skillfully.
