

HIGH SCHOOL NOTES

The atmosphere in the high school is filled with worry, premonition, apprehension and general excitement. The reason is—the final examinations of the year come next week and whether or not the Seniors will graduate, the Juniors will become Seniors, and so on down the line is the main topic of thought—during school hours. For once during the year the students are united in a profound and exhaustive search into the textbooks which were regarded in a somewhat less respectful manner earlier in the year. Cram, bone and grind are the watchwords because "the worst is yet to come"—and only next week!

The executive committee for the past year and the new executive committee met this morning to prepare for a banquet to be held on Tuesday evening at seven o'clock in the domestic science department at the high school. At this time the old executive committee will turn over the entire set of books, etc., to the new rulers. And the old bunch will act as hosts and hostesses at the banquet. Finally, after those who will be present have consumed the eatables, the two committees will select a business manager for the coming year.

HINKLE WILL CARRY UMATILLA AND MORROW COUNTIES BY A LARGE MAJORITY

To Republican Voters of Union County:

Regardless of any information you have received about the campaign for Joint Senator, I am going to carry Umatilla and Morrow counties by large majorities. I know whereof I speak for my home is in Umatilla county near the Morrow county line and I personally know the people and have just completed a canvas of the two counties.

Free from the fight that is going on, the Republicans in these two counties believe I am the man to represent them in the state senate.

La Grande has a senator, Pendleton has a senator and with me residing at the Morrow county line Republicans feel this will balance up the district as it should be.

As for my standing among Republicans of Umatilla county permit me to call your attention to the many times in public life I have appeared before these people and never have I been defeated for office. The name of Joe Hinkle has been closely allied with development of this section, and I say to the people of Union county that Umatilla and Morrow counties are going to cast their vote for their own man, which happens to be myself.

Paid Adv.

I appeal to Union county Republicans not to be misled by statements regarding the vote of Umatilla and Morrow counties. I want the votes in Union county and pledge my honor that every effort in the state senate will be given to the best service I can render the entire district.

As a property owner in La Grande I am interested in reducing the heavy tax burden of Union county just as I am interested as a property owner in both Umatilla and Morrow counties. La Grande people are many of the my friends and throughout Union county I have friends whom I do not want to be misled by the statements from Pendleton regarding this contest.

Keep in mind that Joe Hinkle will carry his home county, Umatilla, by a big vote, will also carry Morrow county by a big vote and he will appreciate his friends staying by him in La Grande and Union county.

Very sincerely,

JOE HINKLE
