

GOSSARD CORSETS FOR EVERY FIGURE

It is not lowly priced corsets that we refuse to sell, but unlovely corsets that do not bear the hall-mark of quality.

We cater to those who desire and appreciate distinctive and correct dress, whether their incomes are large or small.

Our GOSSARD CORSETS

carry no extra charge because of their beauty and superior quality. It seems wise to say this because the distinction that comes of careful selection often gives the impression of expensiveness. Nor is there any extra charge for our exceptional fitting service that assumes full responsibility for your complete satisfaction.

HILL'S DEP'T STORE

La Grande, Oregon, May 18, 1922.

To Our Customers;

After June 1st, we request that all our customers please save their sales slips, as we do not again itemize. We have been for the past three years using a Burroughs Bookkeeping Machine on our Wholesale and General Ledger accounts and have decided to handle all our retail accounts in the same manner. This machine is similar to that used in the banks. We believe this machine will expedite our accounting and make it possible for us to give you the best service in your accounts with absolute accuracy.

However, should you have any missing slips we will gladly furnish you duplicates, as we retain all original sales slips in our files.

Very truly yours,

The Grande Ronde Meat Co.
