

COMMENCEMENT HELD AT ELGIN

ELGIN, May 22—The graduating class of the Elgin high school held their commencement exercises Wednesday evening. The hall was elaborately decorated and quite a number were present at the occasion.

Quigley; Music by the orchestra; Presentation of the class, E. G. Bailey; Instrumental solo, Audrey Woods; Presentation of the Diplomas, R. A. Ohms, president of the school board, and made by the orchestra.

Sand Dunes Almost Mountains.
The wind-blasted hills of sand known as dunes, which grow to heights of from 5 to 40 feet along our Atlantic coast, attain much larger proportions in other parts of the world. Dunes 100 to 200 feet high are found in Bermuda and the Bahamas.

Eight-Inch Sign

Many cities will follow the new style of street signs, recently introduced in Peoria, Mich. Letters are eight inches high and 1 1/2 inches wide. They're easily read by passing autos, unlike the three-inch letters designed in the days of the "one-hoss shay."

Stops Traffic

Miss Gertrude stopped traffic on Michigan Boulevard, Chicago, recently when she answered a telephone call. Traffic could not hope to get by a new crane.

FEELS FINE AS LONG YEARS OF SUFFERING END

Portland Man Declares that Since He Was Restored by Tanlac He Feels Fit to Start Life Over Again.

"Since taking Tanlac I feel almost like I am starting life over again," said A. Holmquist, 344 East 44th St., Portland, Ore., a machinist for Hesse & Martin Iron Works.

"Yes, sir, for well nigh half my life, and I am sixty-three, I suffered with about as bad a case of catarrh as a man ever had. It spread from my nose and head clear down to my stomach. I developed dyspepsia, loss of appetite and at times suffered terrible pains.

"I didn't think Tanlac would help me much after everything else had failed, but it's a fact that the catarrh began to leave me alone with no other troubles soon after I started taking the medicine. My health is so excellent and I can't say half enough for Tanlac."

Tanlac is sold by all good druggists.—Adv.

I take a bottle of the Discovery now and then for its tonic and tonic effect. I also tried various remedies for constipation and after finding the 'Discovery' so good, I thought I would also try the Pleasant Pellets and am glad to say that now I am enjoying excellent health."—J. Energy Derived From the Sun.
It is estimated that the work done on this planet of ours by the radiant energy of the sun is equal to that which would be required to pump from the ocean enough water to supply a Niagara 75,000 miles wide. To equal the energy which the earth receives from the sun would call for a row of Niagara's snelling the earth three times, with every foot-pound of energy utilized in electric horse power.—Philadelphia Ledger.

Rare Gift.
The scent sachet is an essential to perfume manufacturers as the tea basket is to the tea merchant. The gift of scent smelling is a thousand times more rare than the gift of wine sampling.—Indianapolis News.

Luscious Layer Cake or Dainty Cup Cakes

See how easy they are to make. Follow these recipes:

CUP CAKE

1 cup Sugar 1/2 cup Mazola
1 tablespoon Ginger or 1 teaspoon Cinnamon
1 cup Karo 4 tablespoons Kingsford's Corn Starch
3 Eggs 2 1/4 cups Flour 4 level teaspoons Baking Powder

Cream sugar and Mazola together. Add eggs, beaten separately. Add spice and Karo. Beat in dry ingredients sifted together. Pour into gem pans and bake in very moderate oven.

LAYER CAKE

1/2 cup Mazola 2 Eggs 1/2 cup Milk
1/2 cup Sugar 4 tablespoons Karo 1/2 cup Kingsford's Corn Starch
1 1/2 cups Flour 1/2 teaspoon Vanilla
3 level teaspoons Baking Powder

Sift the flour, corn starch and baking powder together. Cream the Mazola and sugar together. Add the Karo, the beaten eggs, the vanilla and the milk and flour alternately. Beat well and bake in two layers in a moderately hot oven.

IT is not necessary to purchase both a bread and a pastry flour. By using quarter cup Kingsford's Corn Starch to three-quarter cup of any good flour the percentage of gluten is decreased and the starch content increased so that home prepared flour will make a lighter and finer grained cake.

FREE Ask your grocer or write Johnson-Lieber Company, Portland, Oregon, for beautiful folder of the new Kingsford's Corn Starch recipe.
