GOVERNORS TO MEET

(By Associated Press)
SPOKANE, Wash., May 24—Plans for a conference of governors of 10 western states at Sacramento, Cal., to consider uniform taxes in the near future were announced here Monday by Governor Louis F. Hart of Washington.

Lumbago.
This is a rheumatism of the muscles of the back. It comes on suddenly and is quite painful. Every movement aggravates the disease. Go to bed, keep quite and have Chamberlain's Liniment applied and a quick recovery may be expected. Mrs. F. J. Dunn, Brockport, N. Y., writes: "I can honestly say that Chamberlain's Liniment cured me of lumbago a year ago last summer. When I began using it, I was flat on my back in bed and could not turn to the left or right. I had a bottle of Chamberlain's Liniment in the house and this was applied to my back. It promptly drove away the pains and aches."

Why the \$10.90 USCO is better than just a \$10.00 tire

On November 10, 1921, the 30 x 3 1/2 "Usco" was marked to sell for \$10.90.

This odd and closely figured price was the lowest quotation ever made on any tire of known standards.

A genuine pioneering step by the makers of U. S. Tires.

Now comes a lot of different \$10.90 tires being rushed into the market. "Special" tires. "New" treads.

Unfamiliar to look at—with perhaps an atmosphere of having been made to meet the price.

But the "Usco" still occupies a place by itself. A good old

standby on millions of cars for years. Better than it ever was.

Still putting the emphasis on honest quality, even if it does sell for only ten dollars and ninety cents.

The \$10.90 tire with the record of a proven product.

The tire that people still buy for the dignity of its quality regardless of the low amount they pay.
